TO MR. AXLEROD AND MR. HAYES . . .

Mr. Abraham Axlerod

Mr. J. Norman Hayes

. . . WE GRATEFULLY DEDICATE THIS BOOK

We, the graduating class of 1954, are proud to dedicate this year book to Mr. Axlerod and Mr. Hayes, Kensington's co-assistant principals, to express our appreciation and gratitude for their unselfish and unbiased administration. These two noble men have collaborated with harmony because they have astonishingly similar ideals of education. Mr. Axlerod believes that the purpose of an education is "to develop a responsible citizen"; Mr. Hayes, that it is "to enable one to take a responsible place in a democracy."

Mr. Axlerod is happy about his transfer to Kensington last year; he considers it a wonderful experience with the children and faculty. Participating in sports himself and deeply interested in people, he urges students to strive for scholarships, to "become identified with the community through political, social, athletic, and religious activities." Mr. Axlerod loves outdoor life, camping, chess, and television and enjoys summer with his family at the lakeshore. He is doing graduate work at the University of Buffalo for a Doctorate in Education.

We shall always remember the faith Mr. Axlerod has in the modern generation, his belief that we are healthier, better informed and educated, better behaved, and likely to become better persons than our predecessors. All through our lives we shall respect his high ideals and persistently weave them into our pattern of life.

Mr. Hayes has been very successful in arousing our enthusiasm for the democratic and social functions of our school. His interests lie in sports,

records, and young people; his educational pursuits include earning a Doctor of Education degree at the University of Buffalo. Sincerely, he believes that our generation is more generous, enthusiastic, and interested in various activities than his own and is comparably cooperative and willing.

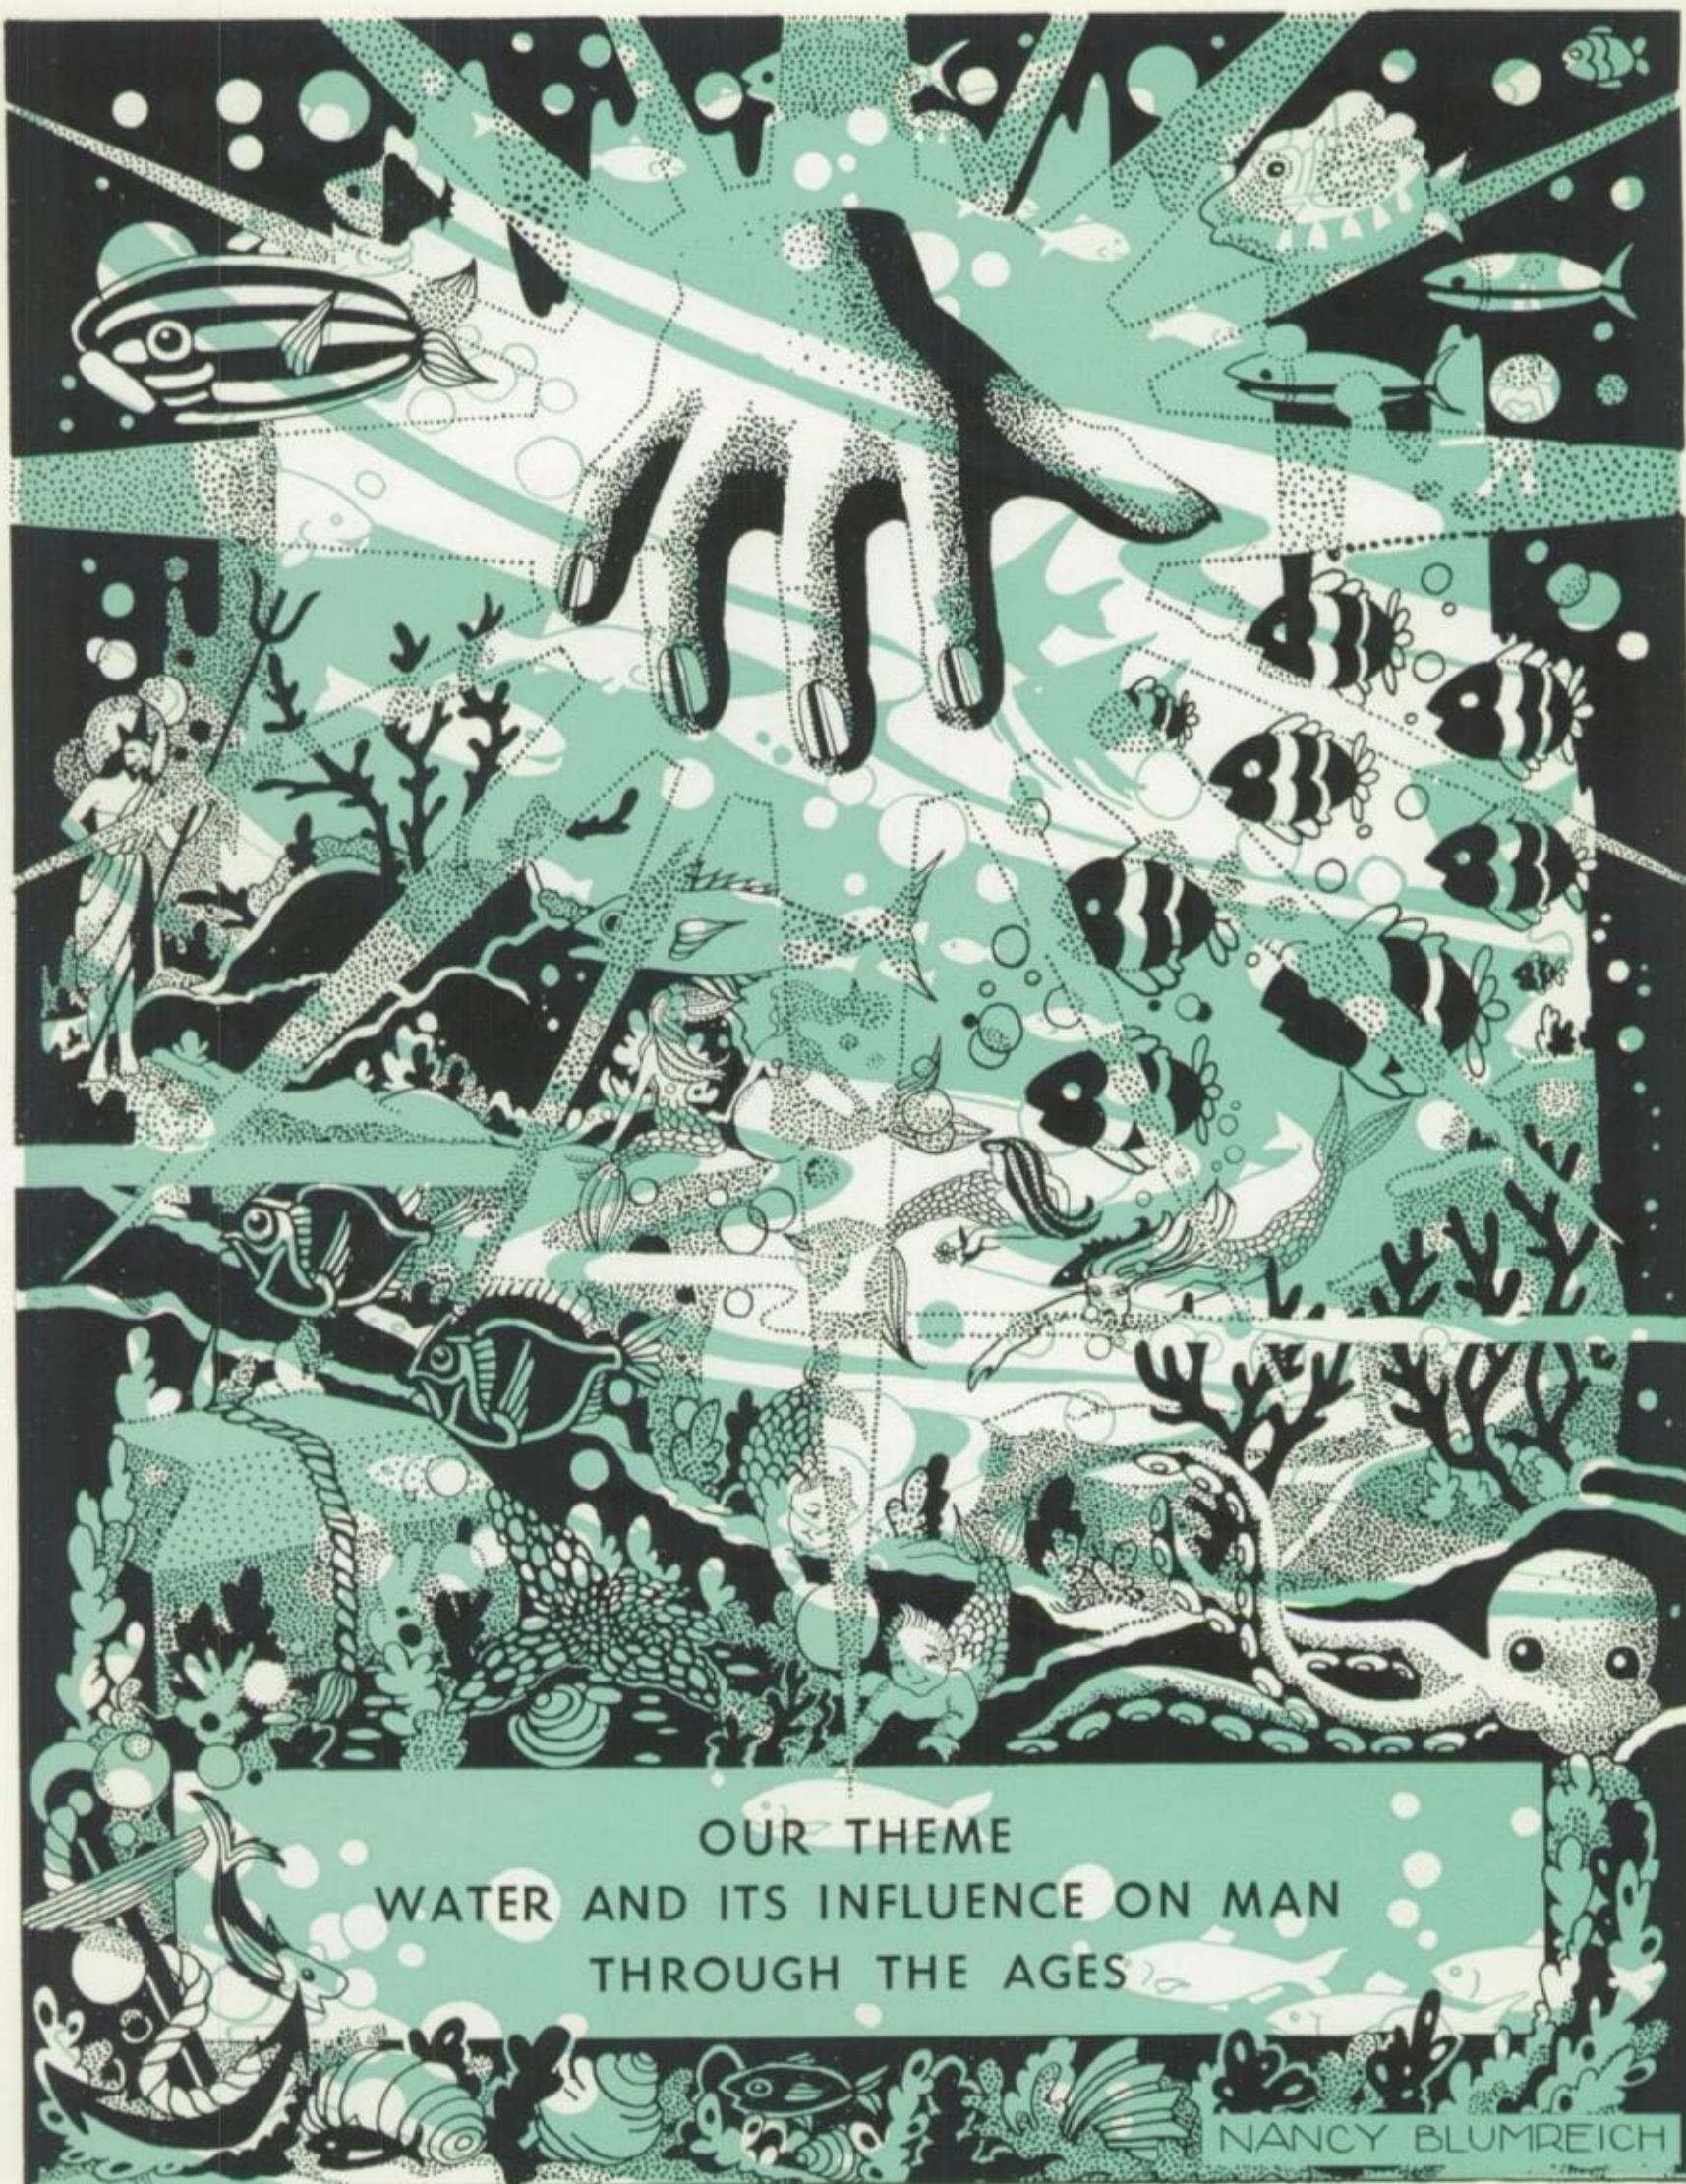

All through the year he has been an advisor, an exponent of democracy, and a friend. What we have learned from his examples of indefatigable endeavor, initiative, cooperation, and perseverance manifested by the dances, attractive cafeteria decorations, and the formation of a Student Council, we shall practice in the future. We have assumed the responsibilities related to these privileges.

This is in accordance with Mr. Hayes' theory of education: "The success of our educational program is determined by the success with which our young people are trained to take their places as morally, socially, and civically responsible citizens in a democracy. To succeed in this aim the school should teach democracy not merely by precept but also by example."

When we leave Kensington we will take all our precious memories with us. Among these will be the kindness, helpfulness, consideration, and understanding of Mr. Axlerod and Mr. Hayes. With their moral support backing our generation we shall face the challenge of life without fear.

"The words of a man's mouth are deep waters,
The fountain of wisdom is a gushing stream."

OUR THEME
WATER AND ITS INFLUENCE ON MAN
THROUGH THE AGES

NANCY BLUMREICH

INTRODUCTION TO THE THEME

THIS YEAR, "WATER AND ITS IMPORTANCE TO MAN THROUGH THE AGES" IS THE THEME OF OUR YEARBOOK.

THE BIBLE SAYS, "IN THE BEGINNING GOD CREATED THE HEAVEN AND THE EARTH. AND THE EARTH WAS WITHOUT FORM, AND VOID: AND DARKNESS WAS UPON THE FACE OF THE DEEP. AND THE SPIRIT OF GOD MOVED UPON THE FACE OF THE WATERS."

NOW, AS THEN, WATER IS OF PRIME IMPORTANCE TO MAN. LIFE AND WATER ARE INSEPARABLE. LIFE BEGAN IN THE PRIMEVAL SEA. THE MAJORITY OF LIVING THINGS ARE STILL IN THE OCEANS. OUR WORLD IS WHAT WATER HAS MADE IT.

WATER CAN BE CALLED THE COMMON DENOMINATOR OF THE ENTIRE PHYSICAL WORLD — ACCOUNTING FOR SEVENTY PER CENT OF OUR BODIES. IT SUSTAINS AND NOURISHES ALL FORMS OF LIFE. A UNIQUE SOLVENT, IT IS AT THE HEART OF ALL CHEMISTRY AND INDUSTRY. A LEVELER OF MOUNTAINS AS WELL AS THE VERY MAKE-UP OF THE SEAS, WATER TO A LARGE EXTENT HAS DETERMINED WORLD GEOGRAPHY, AND THE POLITICAL AND ECONOMIC LIFE OF NATIONS.

WATER — MAN HAS WORSHIPPED IT, TOLD TIME BY IT, CONTROLLED IT, MADE POWER FROM IT, DRUNK IT, AND SAILED ON IT. TODAY MAN FACES A SERIOUS PROBLEM — THE CONSERVATION OF WATER. RECKLESS WASTE AND SHAMEFUL POLLUTION HAVE DEPLETED HIS LIQUID RESOURCES. NOW HE MUST CONSERVE OR PERISH.

WATER DOES NOT NEED MAN; BUT MAN CANNOT EXIST WITHOUT WATER. SO LONG AS MEN INHABIT THE EARTH, THEIR SUCCESS AND HAPPINESS WILL, IN A LARGE MEASURE, DEPEND UPON HOW WISELY AND HOW WELL THEY CONTROL AND USE WATER.

ADMINISTRATION

RULING THE VAST KINGDOM OF UNDERSEA LIFE IS THE POWERFUL AND EFFICIENT KING NEPTUNE. HE SITS ON HIS THRONE HOLDING HIS WELL-KNOWN SYMBOL OF POWER, THE TRIDENT. FROM THIS SEAT HE CAPABLY HANDLES ALL THE BUSINESS OF RULING HIS SEA KINGDOM, WHETHER IT BE DISCIPLING MARINE LIFE OR STIRRING THE SEA INTO A TURMOIL.

SUCH EFFICIENCY IS PRESENT IN THE ADMINISTRATION OF KENSINGTON. OUR EDUCATORS REMAIN IN THE BACKGROUND BUT LIKE NEPTUNE ARE EVER EXERTING A MOLDING FORCE. WE ARE CONSTANTLY STIMULATED AND ENCOURAGED BY THEIR SKILLFUL GUIDANCE AS WE PASS THROUGH THE TURBULENT STREAMS TOWARD KNOWLEDGE.

ON OUR VOYAGE, SOMETIMES CALM, SOMETIMES STORMY, WE LEARN METHODS THAT MAY FACILITATE THE SOLUTIONS OF PROBLEMS THAT WILL PRESENT THEMSELVES IN THE FUTURE. THIS IS A VAST UNCHARTED COURSE, BUT THE WATERS OF THESE STREAMS SERVE AS A MIGHTY FORMING AND ENRICHING POWER. THE STREAMS OF KNOWLEDGE OFFER A LASTING AND CHALLENGING MYSTERY. WE ARE FORTUNATE IN HAVING IN OUR SCHOOL THE SOUND, FIRM LEADERSHIP WHICH NEPTUNE FURNISHES HIS KINGDOM.

AS THE WATERS OF THE OCEAN CONSTANTLY EBB AND FLOW, SO ARE WE PROGRESSING TOWARD THE MYSTERIOUS GULF OF FUTURE LIFE. THE FACULTY HAS PREPARED US TO FACE THE PROBLEMS OF THE FUTURE AND FOR THIS THEY CERTAINLY DESERVE OUR HEARTFELT THANKS.

of the city, it follows that needs of children are not everywhere the same. The individual school should be free to develop programs adapted to the population group it serves. The educational program through which the schools endeavor to meet these objectives should vary in accordance with the different needs in various areas of the city."

We are very grateful to you, Dr. Ewing, for accepting our urgent call to be shepherd of such a great flock. Very confident are we, that with your rich, varied experience, expert leadership, and wise guidance you will lead us to the "green pastures" of a secure, happy, and successful future. May God inspire and guide you in this tremendous task!

Last September, the Board of Education selected Dr. Parmer L. Ewing to fulfill the duties of Superintendent of Schools. Prior to this appointment, he served as Superintendent of Schools at White Plains, New York, for three years.

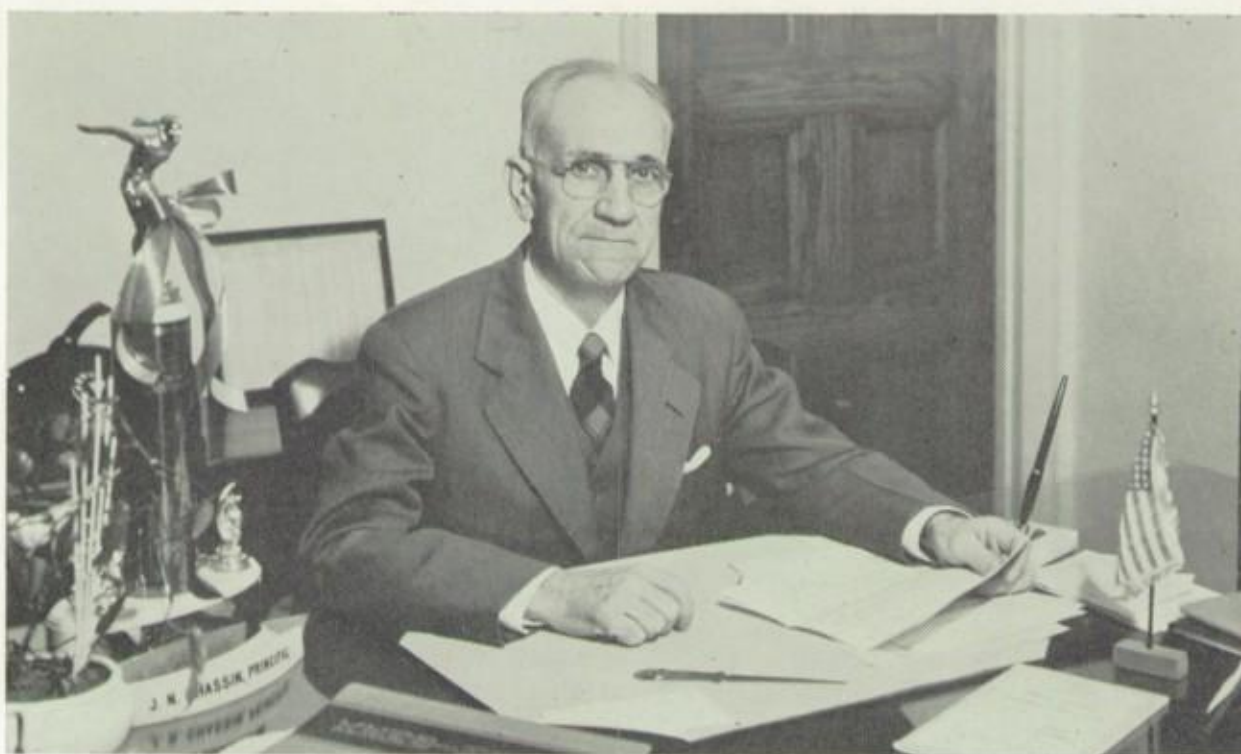

Dr. Ewing was born in Casey, Illinois. He attended schools there, and received his higher education at the University of Illinois. There he earned his Bachelor and Master of Science degrees. However, his doctorate was awarded to him at New York University.

He served in various capacities in the educational systems in Shelbyville, Highland, Alton, and Rockford, Illinois. In addition to this Dr. Ewing conducted a workshop at the University of Chicago, and taught graduate students at both the University of Illinois and New York University. Besides this, he found time to write articles for several publications as well as for the 1947 Yearbook of the Association for Supervision and Curriculum Development.

Dr. Ewing stresses that the educational program in the Buffalo Public Schools should not be standardized. "Because social backgrounds differ in various areas

MR. CHASSIN'S MESSAGE TO THE GRADUATES

Mr. John N. Chassin

"The man of understanding is of a precious spirit."

Congratulations to the Class of 1954!

You are now on the threshold of new adventure. The years at Kensington should prepare you, in some measure, for the kind of work you wish to do after graduation. Face the future with courage and faith in the ideals you aspire to. Work hard at the job of your choice; give generously of your time and enthusiasm to obtain the respect and trust of your employer and fellow workers. Share the burden with others in your community, to make it a better place in which to live. By doing these things you strengthen the heritage handed down by your forefathers that ours is a country under God, of the people, for the people and by the people.

"The purpose in a man's mind is like deep water, but a man of understanding will draw it out."

Mr. Garnett F. Roberts

A SALUTE TO MR. ROBERTS

Last September Mr. Garnett Roberts graciously assumed the administrative duties at Kensington during the illnesses of Mr. Chassin and Mr. Axlerod.

Thirty-four years ago Mr. Roberts began his administrative career in Buffalo, as assistant principal of Masten Park under Dr. Fosdick, and later under Mr. Hersey. He became principal in 1939, and remained at the helm until Masten's closing in 1953. Mr. Roberts was then made director of the new center schools. However, in September, he was needed here at Kensington for a period of six weeks. He then resumed his regular position.

Mr. Roberts is a man of varied interests. In his earlier days, he was an avid outdoors man, as well as a coach and golf fan. Now, his main interests are photography and oil painting.

A good friend of youth, Mr. Roberts believes in giving every student opportunities throughout his educational career. He thinks the school makes this possible by developing the student.

We sincerely thank you, Mr. Roberts, for coming to Ken in our time of need. The faculty and the entire student body salute you and wish you every future success.

Miss Henrietta Langner, Mr. John McMahon, Miss Pauline Corcoran.

GUIDANCE OFFICE

This year we welcomed two new girls' guidance counselors. Miss Corcoran and Miss Langner have aided Kensington girls in solving many problems. With Mr. McMahon, boys' counselor, they assist students in planning post-high school education, securing part-time work, and selecting the proper courses of study. Their advice and encouragement have been invaluable. Both boys and girls appreciate the services of the guidance office.

Numerous students have profited by the interest inventories and mental abilities tests offered by the guidance department. In addition, the counselors have presented expert speakers on various careers, have informed upper classmen of open house programs, and have provided information concerning scholarships in colleges and universities. Kensington's guidance counselors are always ready, willing, and able to serve.

Mrs. Natale Guarnaccia, Miss Rita Sinnott, Miss Florence Lehde, Administrative Assistant.

ADMINISTRATIVE ASSISTANT AND OFFICE STAFF

All the seething currents of school activity find a quiet harbor in Kensington's office. The gracious and efficient staff calms the storm of student questions, serenely fills faculty requests, and keeps the academic channels clear.

WE COMMEND OUR TEACHERS FOR FAITHFUL DEVOTION...

SEATED: Miss Mildred Kennedy, Mrs. Mildred L. Stewart, Miss Julia O'Meara (Dramatics); Mrs. Margaret M. Bennis, Miss Agnes Scanlon, Miss Irene Johnson, Miss Louise Belden.
STANDING: Miss Ruth Culliton, Mrs. June B. Johns, Miss Ann I. Maloney, Miss Ruth Newman, Miss Marjorie Frink, Mrs. Helen H. Evans.

ENGLISH

The principal purpose of this department is to teach students to read, write, speak and listen to English with understanding and enjoyment. Literature, composition, grammar, and vocabulary are taught. Everything from **Johnny Tremain** to **Hamlet**, from syntax to sonnets, makes the study of our

Mother tongue interesting and informative to all of us. The aim of our four year course in English is to develop our ability to speak and write with gracefulness and fluency; and also to understand and appreciate our modern media of communication, such as magazines, newspapers, radio and television.

Miss Dorothy Pierman, Librarian

DRAMATICS

In her drama and public speaking classes Miss O'Meara strives to perfect the art of oratory in her pupils. Pantomime and improvisations are humorous and valuable essentials of a day's course. Thus more of Ken's students are able to speak with the tones, depth, and grace of the clearest brook and the deepest ocean.

LIBRARY

The steadily growing circulation of books and the increasing attendance in the library are deserved tributes to the numerous special services rendered by our indefatigable librarian, Miss Dorothy Pierman. With the cooperation of the monitors, the bulletin boards have attracted attention to new and timely displays of books. The library has become a vital part of Kensington High School.

TO THE CAUSE OF EDUCATION . . .

SEATED: Miss Helen Van Natter, Miss Elizabeth Davison, Miss Iola Smith, Mrs. Lee K. Landsman, Mr. Leon Haynes, Mr. Herbert Albing, Mr. Vincent Kelly.
STANDING: Mr. Thomas Mountain, Mr. Angelo Gianturco.

SCIENCE

Scientifically inclined students have a great educational opportunity at Kensington. The science college entrance course offers such challenging subjects as Biology, General Science, Physics, Chemistry, and Radio. The excellent teachers present the

subjects in a lucid and attractive manner employing all the facilities available. Various clubs have been formed for interested pupils who desire to augment their scientific knowledge and to learn by doing.

MATHEMATICS

Nearly every knowledge-thirsty student at Kensington has studied one of the mathematics subjects, for this branch of learning nourishes the mind and stimulates curiosity. Algebra — elementary, intermediate, and advanced; plane and solid geometry;

and trigonometry develop logical thinking and prevent absurd conclusions. We all agree that the knowledge we gain in our math classes is as powerful as the turbulent waves of the ocean.

SEATED: Miss Mary Steudle, Miss Virginia Mayer, Mr. Martin Larrabee.

STANDING: Miss Margaret McGee, Miss Ann Connors, Mrs. Alice S. Leising, Miss Agnes Creahan.

TO THE REFINEMENT OF HUMANITY . . .

SEATED: Miss Lenore Dunlavey, Miss Margaret McCarthy, Miss Ruth Westerman.

STANDING: Miss Catherine Valente, Miss Margaret Kenny.

LANGUAGES

We here at Kensington are indeed very fortunate to have such an excellent language faculty. Every student should be able to find a language to suit his taste, whether it be classical — Latin and Greek

— or modern. The knowledge of more than one language not only helps us speak better English but it also contributes to international understanding and sympathy.

SOCIAL STUDIES

Social Studies — "Of or relating human beings as a closely knit body of interdependent persons." — This is how Webster defines social studies. We at Kensington certainly don't have to resort to a dictionary for a definition. From Economic World,

through American History, we are taught of this interdependency, and for this we are deeply grateful. Also in what other subjects can you learn about the importance of water to man through the ages?

SEATED: Mrs. Cheryl C. Lindstrom, Miss Helen Goossen, Miss Irma Dickman, Miss Edith Stokoe, Mrs. Marion M. McKeon.
STANDING: Mr. Norman Berkowitz, Mr. Martin O'Donnell, Dr. Edward Eagan, Mr. Norman Millard.

TO THE UNDERSTANDING OF MANKIND . . .

SEATED: Miss Genevieve Steffan, Mrs. Rachel B. Jacobs, Miss Clara Panzica, Miss Sadie Kauffman, Mrs. Mary Louise O. Swayze.
STANDING: Mrs. Esther L. Fink, Mrs. Bernadette S. Corcoran, Miss Rose Keicher, Mr. Emory K. Baldwin, Mr. John Reilly, Mr. John Meegan, Mrs. Marion G. Ruby.

COMMERCIAL

A number of Kensington's graduates will in the future enter the business professions. These students will not have to face an unknown and dark world like the sea, for they have had a preview of what is in store for them. Typewriting, shorthand, bookkeeping, business arithmetic, and secretarial

and office practice, — all are taught by our outstanding commercial department. This gives the students the knowledge and skills which will enable them to perform competently their first jobs in the business world.

PHYSICAL EDUCATION, SWIMMING

The aims of the physical education department are "compatible with those of education in general." The department seeks to attain its aims by utilizing the total muscular body activities. Teaching sports-

manship and coordination, this department has been a spearhead in the development of extra-curricular activities and the Kensington spirit.

SEATED: Mrs. Wilbur Bergstrom, Mrs. Hazel Nilson, Mrs. Anne M. Lufkin, Mr. Ralph S. Duquin.
STANDING: Mrs. Celia Samul, Mr. Herbert Nilson, Mr. Edward Ebling, Miss Mildred Moore.

CLINIC

When we are ill the clinic is our solace. Often our nurse's kind words of wisdom are better than medicine.

Mrs. Dorothy Schreck, R. N.

AND TO THE FULFILLMENT OF OUR STATE IN LIFE.

SEATED: Miss Naomi Stoesser, Miss Helen Nesper, Mrs. Catherine J. Hyman, Mr. Carroll C. Geiger, Miss Marjorie Townsend, Dr. Harley Salisbury.
STANDING: Miss Elizabeth Meach, Miss Ethel M. C. Davis, Mr. Raymond Fisher.

ART

Whether you are a novice or a talented artist, one of our art courses is suited for you. This department, staffed by Miss Davis and Mr. Fisher, offers the students a knowledge of art and its value in everyday life. Beginners draw, paint and design for definite purposes. They are surprised to learn of all the opportunities to apply artistic principles in one's daily routines. The artists also coordinate their work with many school activities. Posters, advertising material, and scenery all come from the second floor corner.

HOMEMAKING

The future homemakers and mothers of America receive adequate and proper training at Kensington through the instructions of the capable teachers. The curriculum includes domestic subjects like clothing and home furnishings, food and personal development, family living, home nursing, child care, advanced food and clothing, and even a special course for boys. Many of the students enroll in after school clubs to participate in kindred activities. Mrs. Hyman, Miss Nesper, Miss Meach, and Miss Stoesser comprise the homemaking faculty.

MUSIC

Pouring forth, eternally, from the music department of our school are some of the most valuable and delightful activities offered at Kensington in the form of rhythms and melodies. In music as in any art, individual expression or interpretation separates the average from the gifted person. Here, in both vocal and instrumental fields under the direction of Miss Townsend and Mr. Geiger, is this opportunity to prove themselves. Whether possessing talent, or just a natural liking for music everyone appreciates this part of our school curriculum.

Playing a vital role in our music program are — orchestra, a cappella choir, harmony, history of music, band, rudiments, chorus, theory.

"The rest may reason and welcome,
'Tis we musicians know."

INDUSTRIAL ARTS

The main function of the Industrial Arts Department is to develop a student's manual dexterity. Under the watchful eye of Dr. Salisbury, a student progresses from elementary woodworking to advanced metalworking. Written work is also a very essential part of Industrial Arts. In all its phases, a study of Industrial Arts enriches a student both physically and mentally.

"WATERS STILLED AT EVEN" . . . IN MEMORIAM . . . MISS VERNA WALKER

Miss Verna Walker
Kensington High School 1937-54

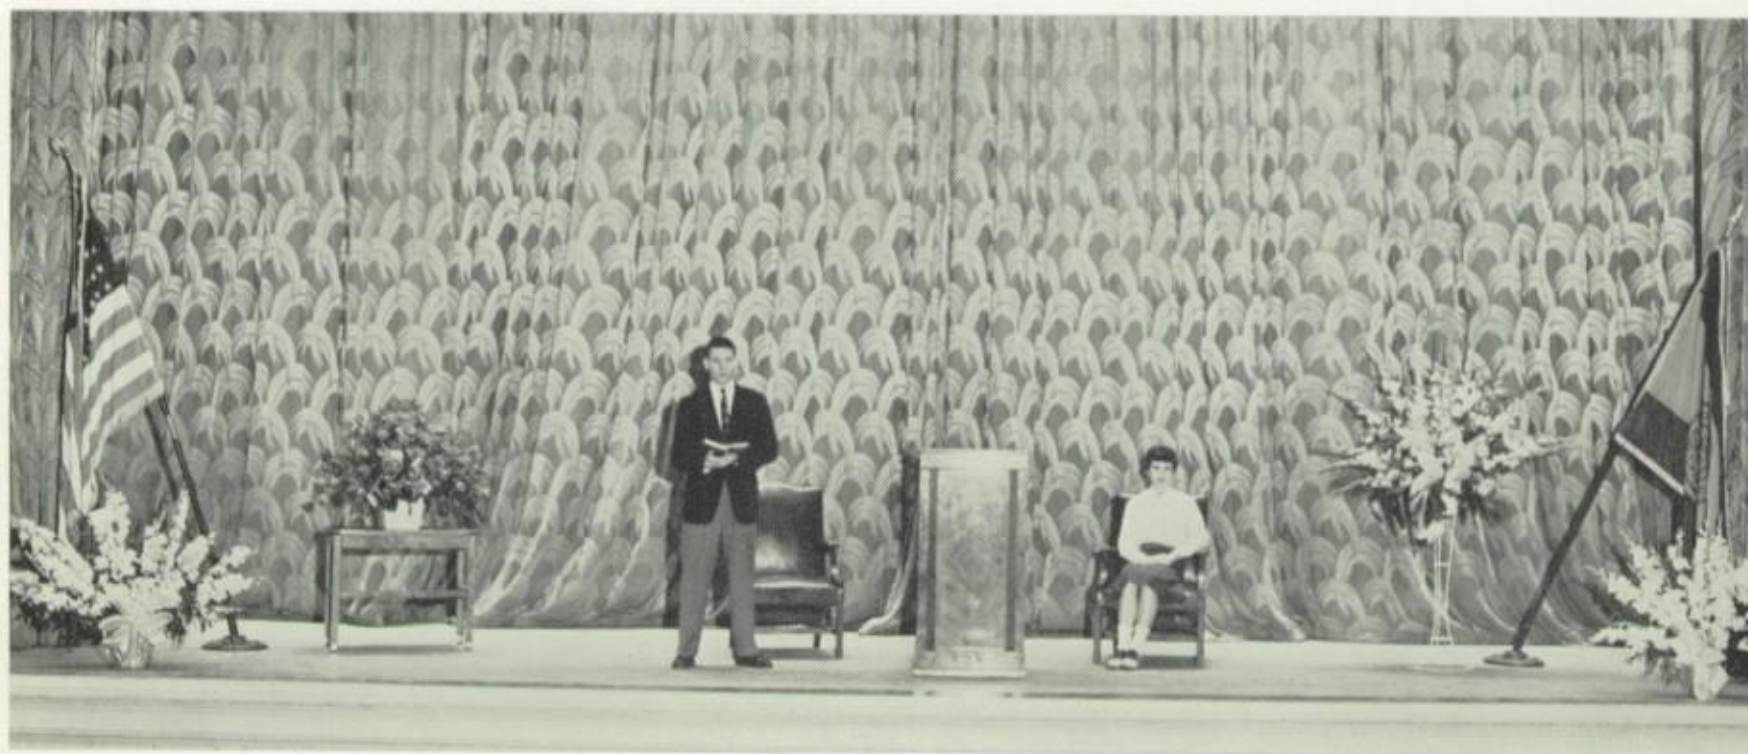

All of us at Kensington who knew Miss Verna Walker will remember her always for her companionship, her thoughtfulness, and the warmth and cheer of her cordial personality. She was never too busy to help her students with understanding counsel and creative ideas. Her guiding hand was willingly extended to stimulate and encourage our individual development.

Our beloved teacher lived democracy and taught democracy. To her classes, she brought a wealth of knowledge and an enthusiastic presentation. Her interest in world situations was carried over to her leadership of the Kensington Council on World Affairs and its part in the U. N. Model Assembly in Western New York. Her loyalty to our school was further evidenced by her presence at school functions. The way she vigorously entered into the spirit of every occasion stimulated the enthusiasm of us all. "Gladly did she learn and gladly teach."

Loyal as Miss Walker was to every phase of school activity, she often let us know how dear her family was to her, an instance being at Christmas time when she mentioned a treasured gift once received from a beloved nephew. For all of us she was "A perfect woman, nobly planned, to warm, to comfort and to command."

"She has taken her bright candle and has gone into another room I cannot find;
But anyone can tell where she has been by all the little lights she leaves behind."

MEMORIAL ASSEMBLY . . . FEBRUARY 18, 1954

SENIORS

DEEP BLUE WATER ON THE INCOMING TIDE: STRENGTH AND DEPTH, WASHED IN ON THE RUSHING WAVES; RIVER UPON RIVER, SEA UPON SEA, MIGHTY OCEANS CIRCLING THE GLOBE, — ETERNALLY MOVING, SEEKING, QUESTING. THE SENIORS ARE ABOUT TO LAUNCH THEIR SHIPS UPON THE WATERS; TO VENTURE INTO THE FUTURE UNAFRAID. OCEAN-GOING VESSELS, LADEN WITH KNOWLEDGE AND HOPE, WILL TAKE THEM INTO NEW, PROMISING PORTS AND HARBORS; INTO THE WORLD AS DOCTORS, LAWYERS, NURSES, TEACHERS, ENGINEERS, SCIENTISTS, HOMEMAKERS.

IN THE FULL TIDE OF SUCCESSFUL EXPERIMENT, SENIORS WILL PROFIT FROM THEIR ENDEAVORS OF THE PAST FOUR YEARS. THE FACULTY, A CALM SEA IN EVERY STORM, HAS PREPARED THEM FOR THIS VOYAGE INTO THE WORLD OF WATERS. THEY WILL MEET THE BUFFETINGS OF STORM AND TIDE WITH THE WISDOM, COURAGE AND TOLERANCE INSTILLED HERE AT KENSINGTON HIGH SCHOOL. MANY OF THEIR DREAMS WILL BECOME REALITY IN THE VAST AND FATHOMLESS SEA OF LIFE.

SENIORS STAND READY ON THE SHORE, EAGER TO PUSH OFF INTO THE DEEP. THE COURSE IS CHARTED AND NOW THEIR STRONG SHIPS ARE HEADED FOR A FAR-OFF, MYSTIC SHORE. THE PRINCIPLES INFUSED HERE WILL BE THE GUIDE, THE BRIGHT BEACON, LIGHTING THE WAY TO DESTINED PORTS.

SOON THEY WILL ACCEPT A NEW ROLE AS UNDERSTANDING CITIZENS, AS THE DEFENDERS OF DEMOCRACY, AS THE INSTRUMENTS OF FAITH! PILOTING THEIR CRAFT THROUGH THE WATERS OF TIME, THEY WILL PROBE THE DEPTHS OF THEIR INTELLECT, AND THUS ACHIEVE A SMOOTH AND EVEN COURSE ON THE SHINING PATH OF THE SEA.

"THE SEA IS CALM TO-NIGHT,
THE TIDE IS FULL, THE MOON LIES FAIR
UPON THE STRAITS."

Dear Knights and Ladies,

Our complex educational system provides an excellent opportunity for the youth of America to become wholesome and interesting adults, well-balanced mentally and physically, socially and emotionally. Your eagerness to cooperate with your fellow-students in various school and extra-curricular activities has been beneficial both to you and to us, for your ardent endeavors have incited us to follow your examples.

You gallantly proffered your time and your talents and we sincerely appreciate your invaluable contributions to Kensington. We, the graduating class of 1954, are proud to dub you Knights and Ladies of Kensington. Indubitably, the future leaders of America will be selected from this prominent group.

Very truly yours,

"O'ER THE GLAD WATERS OF THE DARK BLUE SEA"

FRESHMAN YEAR

We come from haunts diversified
To join in one endeavor;
Our tongues are tied; our eyes are wide;
'Twill not be so forever.

The first main event in our freshman year was a Hallowe'en party for the girls. Prizes were awarded to Dianna Danitz, Marilyn Tropman, Joanne Stockman, Gert Dentinger, Annette Hagen, and Lucy Silvaroli for their winning costumes. Pat Kelly was the lucky girl who won the Kensington school ring. Arlene Hartman, Delphine Jarzebinska and Pat Geyer helped to supply us with the musical entertainment.

Our first football season brings back fond memories of Mr. Meegan's enthusiasm at our "pep" assemblies and the many song lyrics written for us by Mr. Hayes. Ann Butler was the most determined sales girl in the football ticket department.

Our first Christmas Pageant dazzled us all with its artistry, and we were proud to recognize in its cast our own classmates — Herman Kuebler, Bob Kelly, Ronald Sobczak and Charles Hoshal, who appeared as rosy-cheeked heralds.

Michael Di Pota and Richard Smith furnished valuable assistance on Miss Panzica's projection staff, while Anton Schwarzmuehler and Joel Crandall

became "WKEN technicians" thus early in their careers.

Even as spindly-legged freshmen we had a fine representation in the field of sports. Many of the boys went out for the different teams. Mermen Gord Reinig, David Koch, Tom Rooney, and Darrell Chalcraft comprised the Freshman Swimming Relay Team, which was All-High. Another freshman relay team was made up of Rich Robinson, Tommy Webb, Jerry McNeil, and Ronnie Russell. These little sprinters also made All-High. Cross Country was another of the sports in which some of the boys participated, with Rog Bock winning a major letter for his tennis playing.

Mary Sullivan won a swimming medal; Pat Schrack was on the Debate Team; and "Blowtop" Hearn will go down in history as one of the outstanding personalities in Mr. Reilly's home room.

The boys were not the only ones constantly in the pool. Our girls presented a wonderful display of synchronized swimming in the Water Show. Gert Dentinger, Norma Prell, Sheila Graham, Lucy Silvaroli, and Gerry Campagnola were just a few of the many graceful mermaids.

The honor roll leaders for our first wonderful year at Kensington were Sandra Betz and William Raymond.

SOPHOMORE YEAR

We chatter, chatter as we go
To join the brimming river.
Our teachers chide; they're soon decried.
We babble on forever.

As slick sophomores we started out by watching Dave Eckel, Rog Bock, Bill Roberts and Gary Young represent the school in cross country. When the Yule season rolled around, Dave Eldridge as a shepherd, and John Tita and George Wallshauser as kings showed skill in representing the sophomore class in the Christmas Pageant. As the January exams crept down upon us, everyone buckled down to real study and after the smoke of Regents week had cleared away, Sandra Betz, Dolores Crapsi and Maxine Ralicki were found on top of the sophomore honor roll.

We started the new term by seeing Rog Seibert, Ralph Wiepert and Tom Webb perform skillfully on the basketball court, followed by strong stroking Darrell Chalcraft, Dave Koch and Dave Eldridge

helping the school splash its way to the Syracuse Cup. Ronald Stockinger proved to be one of the mainstays on Mr. Millard's Chess Team, while Tom Wiegert and Norm Mruk helped keep the Robert T. Bapst Tennis Cup on Ken's trophy shelf. On March 17, when all good Kensingtonians become Irish, Joel Crandall and Arthur Cologgi tooted along in McNamara's Band. Kensington's spring production was Thornton Wilder's "The Happy Journey" which featured such fine thespians as Pat Schrack, Marilyn Tropman and Bob Kelly. Pat Schrack went on to win first place in the city-wide Girls' Declamation Contest. The fairer sex showed that they also could swim in the Spring Water Carnival. Beverly Burg and Sheila Graham's clown act was especially amusing. As spring wore on towards summer, third base on Ken's baseball team was aptly covered by Pete Catania.

Honor roll leaders were Sandra Betz, who was awarded the Sophomore Attainment Medal, Dolores Crapsi, Jeanette Spranz, and Monica Prolejko.

THE CLASS OF 1954 HAS VALIANTLY VOYAGED

JUNIOR YEAR

We slip; we slide; we gloom; we glance;
To vie with skimming swallows.
We like to dance, so trust to chance —
Let Homework seek the shallows.

Before we knew it our vacation had drifted by and we were jovial juniors. A few dauntless students — Amelia Del Prince, Paul Storm, William Raymond, Leonard Otminski, and Annette J. Arendt, enrolled in the newly launched Greek class, a two-year-in-one course. The girls' sports activities commenced with basketball displaying the tactics of Joan Mueller, Lois Koenig, and Carol Vann. Dave Eckel emerged from a cloud of dust, leaving his opponents behind, and won All-High Cross Country honors.

We restlessly awaited the football season and then responded with enthusiasm to the skit presented by "coach" Markham and "team members" Gert Dentinger, Joanne Stockman, and Carol Crotty, as well as the cheers led by Marilyn Tropman and Faye Becker.

When the basketball season started, Roger Seibert, Donald McPhee, Alexander Papafagos and Roger Bock showed dexterity in manipulating that most-elusive ball.

Gordon Reining, Norman Mruk, and Dick Robinson splashed their way to All-High swimming honors.

June exams were approaching when Bob Kelly, as Henry Aldrich, Gary Young, Pat Schrack, Joel Crandall, Lucy Silvaroli, and Marilyn Tropman won everyone's heart in the spring play, "What a Life!" Shortly thereafter Rose D'Amico and Virginia Slawinska gracefully entertained us in the water carnival.

Several good infielders — Pete Catania, Roger Bock, Carmen Rossi, and Hudson Schnell, showed what training and patience can do on the baseball diamond.

We realized the proximity of exams when our admirable Junior Officers, Tom Webb, Marilyn Tropman, Faye Becker, Gary Young, Barbara Markham, and David Eldridge assumed their duties.

Carol Crotty, Gertrude Dentinger, Anton Schwarzmuller, Pat Geyer and Pat Schrack entertained at the Junior Day Program.

At the long-awaited Prom, "King" Don McDonald and "Queen" Gerry Heck reigned over their classmates for one glorious and unforgettable night.

Sandra Betz won her third Attainment Medal, with Annette Arendt, Jean Rich, and Jeanette Spranz as runners-up.

We passed the final hurdle, June exams, and anxiously awaited our return in September, when we would be dignified Seniors.

SENIOR YEAR

Now out again we sadly scan
The wide expanse of river.
A four years' span since we began —
We wish it were forever!

"September Song" was the swan song to summer vacation. After a ten weeks' absence from school, we entered Kensington as Seniors. We chuckled when we saw bewildered freshmen strolling with great uncertainty through our halls for the first time.

We were glad to welcome several new members to our class who had transferred from Fosdick-Masten Park High School and who during the year helped to bring many honors to Kensington. Among these Joyce Cameron placed first in the city in the Girls' Declamation Contest. Daniel Goulding won three first places — the city, district, and zone — for his oration on the Constitution. Kenneth Schneider was winner of the Knights of Pythias city-wide speaking contest.

Our own Pat Schrack placed first in the Voice of Democracy contest, while Sandra Betz won third place in the Atlantic Union essay contest.

It was during the football season that Kensington held the first of its after-school dances. This dance, the "Beat Bennett Bounce", preceded Ken's game with its traditional rival, Bennett. The Seniors handled the dance, with Don McDonald and Faye Becker as co-chairmen.

Cross Country, another fall sport, included as members of the team Seniors Dave Eckel, Roger Bock, and Bill Roberts.

With the arrival of the Yuletide season came the annual Christmas Pageant. Featured in this program were sopranos Phyllis Kolbe and Delphine Jarzebinska, and male voices Paul Storm and Allan Hyde.

It was also during the Christmas season that we held another school dance. "Santa's Snowball"

VALEDICTORY . . . 1954

"Fare thee well, and if forever, still forever, fare thee well." Tonight one phase of our journey through life will end. We have come to a fork in the stream and now we separate to follow the course dictated by our feelings. Our Alma Mater, which for four years has worked diligently to prepare us for the future, must be left behind. No longer will we be able to share the many experiences of high school life, with its joyous victories and sad defeats.

Although tonight we may leave our high school experiences behind, many memories have been written indelibly in our minds. We shall never forget the fire and enthusiasm of our athletic assemblies and the thrill of watching our stalwart teams as they take the field. Ever shall the majestic grandeur of our Christmas Pageant remain with us. Now we reluctantly say good-by, but the memories of our life at Kensington will always be an integral part of our very being.

We offer our deepest thanks to our esteemed principal, Mr. Chassin. His wise and enthusiastic words have encouraged us to strive for success and to maintain the high ideals he has exemplified.

To our assistant principals, Mr. Axlerod and Mr. Hayes, we extend our sincere appreciation for their inspiration and friendship, which have greatly enriched our years at Kensington.

Our faculty has taught us the invaluable lesson of living well. Educating us has not been an easy job; in fact, it has required, in a sense, wisdom almost as great as that of Athena. The debt we owe the faculty can only be repaid by our gratitude and remembrance.

Words cannot express what we feel toward our parents. It can only be said that without their encouragement and guidance we would not be here tonight.

The last moments of these enjoyable years are swiftly ebbing away. Four years ago we entered Kensington with certain aims, and now we are leaving with new aims and aspirations. During these years our characters have been molded and we have learned to live with our fellow man.

Now we, the Class of 1954, face the challenge of the future. The world we are about to enter is a turbulent one. Tonight may be the last farewell, for the sands of time often separate the best of friends. But wherever we go and whatever we do, we will always remember our rich friendships and experiences. No matter how stormy the voyage, we fervently pray, Kensington, that truly thy wisdom's torch may shine on and light our way and that each of us in our own manner may reflect its gleam into the troubled world.

CLASSES

WATER, ITS FUNCTIONS, CHARACTERISTICS, AND POTENTIALITIES, MAY WELL BE COMPARED WITH OUR CLASSES. EACH REPRESENTS LIFE RISING OUT OF LIFE, CHANGING BUT NEVER ENDING, EVER EVOLVING SOMETHING NEW BUT NEVER LOSING THE OLD. EACH IS ESSENTIAL; WATER TO LIFE AND GROWTH, YOUTH TO THE DEVELOPMENT OF KNOWLEDGE, CULTURE, AND INVENTIVENESS.

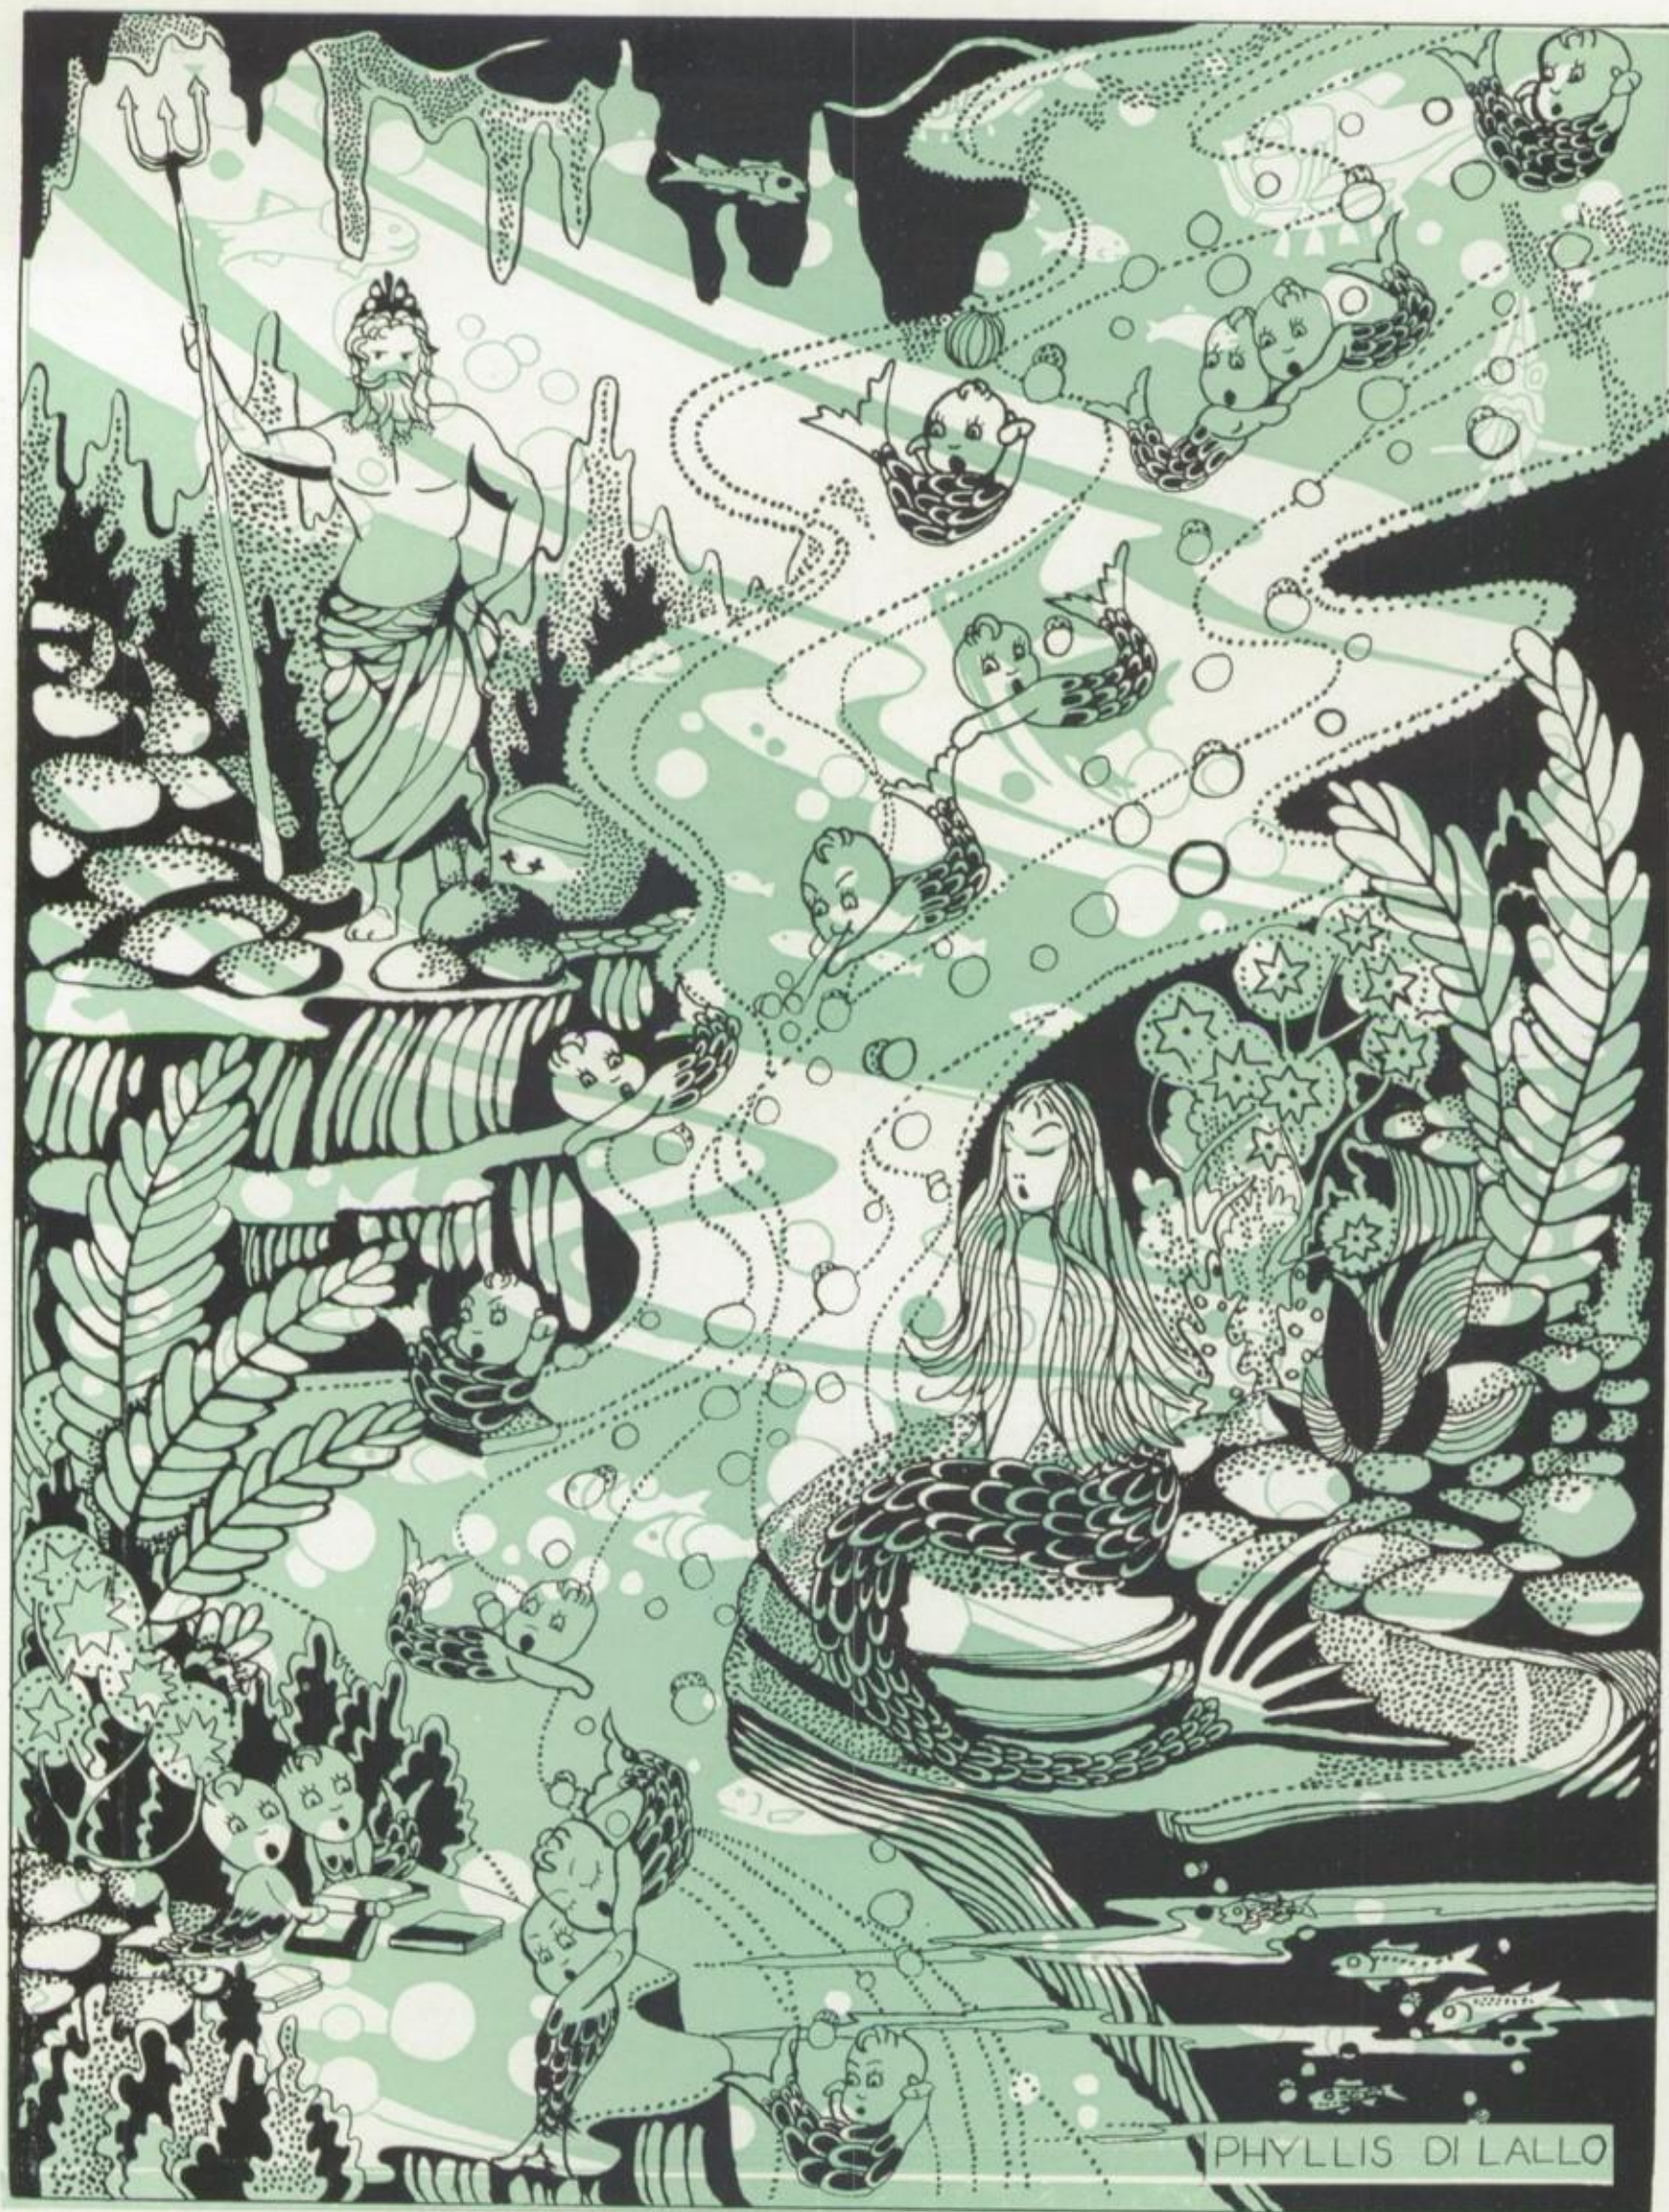

EACH IS A SYMPHONY. LAKE, RIVER, OCEAN, ALL ARE IN HARMONY, EACH A PERFECT BLEND. THEY ARE PERVADED BY A MARVELOUS RHYTHM, THE LAPPING OF WAVES, THE EBB AND FLOW OF TIDES, THE EVER-CHANGING TEMPO — SOFTENING TO THE SPRING SHOWER OR RISING TO THE THRASH OF THE TEMPEST — OUR CLASSES, ATTACKING EACH NEW PROBLEM, POUNDING AWAY WITH DETERMINATION OR RISING TO EACH NEW CHALLENGE. LIKE MAN'S RESTLESS HEART IN SEARCH OF KNOWLEDGE, WATER CIRCLES THE EARTH, CLEANSING, PURIFYING, CREATING.

THE SYMPHONY EXPANDS, ELABORATES, SWELLS, AND LEADS ON THROUGH BRILLIANT VARIATIONS AND EXQUISITE CLIMAXES. OUR SYMPHONY SPEAKS EQUALLY OF THE DIM PAST AND THE DISTANT BUT HOPEFUL FUTURE. IT TELLS OF THE SEED, WHICH PLANTED NOW, WATERED BY EACH NEW EXPERIENCE, IS PREDESTINED TO GROW INTO SOMETHING PURPOSEFUL WITH MEANING AND CLARITY.

KNOWLEDGE IS AN IMMENSE SEA ABOUT WHICH MAN LEARNS LITTLE. HOWEVER, A TINY DROP DRAWN FROM THIS INFINITE WELL HOLDS THE KEY TO LEADERSHIP, POWER, WEALTH, HAPPINESS, AND PEACE. LIKE THE OCEAN, KNOWLEDGE IS SOMETHING TO BE EXPLORED AND STUDIED, — AWESOME, WONDERFUL; YET PURSUED WITH ARDOR AND ZEAL BECAUSE OF ITS DARK, UNFATHOMABLE DEPTHS.

"ROLL ON, THOU DEEP AND DARK BLUE OCEAN, ROLL!" SO WE STUDENTS COMING AND GOING EACH YEAR, SHALL ROLL ON TO KNOWLEDGE AND NEW APPROACHES TO LIFE AND ITS MEANING.

HERE ARE THE JUNIORS OF KENSINGTON HIGH SCHOOL

Freshmen, Sophomores, Seniors, lend us your ears;
We have come to praise our Juniors, not chide them;
The good that they have done will live after them;
Here under leave of the Seniors and the rest,
Come we to speak in our Compass.

JUNIOR OFFICERS

SEATED: Nancy Cash, Timothy McMullen, Jeanne LaRue, Virginia Schenk.
STANDING: Roger Shields, John Storms.

Timothy McMullen, President

Shy Mr. President isn't so shy in the swimming pool. Although while in training for swimming meets, he had to decide whether just to take in a show or go out for a glass of milk, he proved himself by being a member of Ken's All-High Swimming Team. Besides swimming, Tim likes golf and track.

Nancy Cash, Vice-President

Our versatile and popular vice-president has interests in many activities in and out of school. She is in the Council on World Affairs, A Cappella Choir, Orchestra, and is a member of Student Council. Her sports interests are bowling, badminton, volleyball, and basketball. She was a delegate to the Hi-Y Convention.

Jeanne LaRue, Secretary

The "personality plus" girl, Jeanne is always sweet, friendly and charming. Well-dressed, she showed wonderful modeling ability in this year's fashion show. Jeanne displayed decorative talent as a member of Santa's Snowball Committee. Energetic in Hi-Y affairs, she is also on Student Council.

John Storms, Treasurer

John Storms, the man who handles the money, is recognized throughout Kensington as an eloquent speaker. An avid Stan Kenton enthusiast, he is very fond of jazz. John plays saxophone in Ken's band and participated in this year's winning debate team. Also he is very active in church affairs.

Virginia Schenk, Girls' Marshal

Our unassuming Girls' Marshal always has a pleasant smile for everyone. Willing to work, she finds the Compass staff the favorite of her school activities. She also is a member of Student Council. Although she is altruistic, it is known that she is interested in the business world and plans to be a medical secretary.

Roger Shields, Boys' Marshal

Humorous and dependable Roger Shields is another of our athletic Junior officers. He was on the football team and also plays basketball. His great ambition at present is to become the proud possessor of a car. Several of his recent English compositions have stressed this theme.

WE ARE PROUD OF:

THE SOPHS AROUND US . . .

This year, the Sophomores have eagerly contributed to our school in every possible way. No longer are they unsophisticated Freshmen accustomed to a new school. They are inspired with the idea of high school life and enjoy smooth sailing in the endless stream of school activities at Ken. Not only have they excelled in their studies, but they have been valuable assets to our athletic teams and to all clubs. The class of 1956 will be well equipped to become the leader of our school. The extra-curricular activities in clubs and sports, in which Sophomores have been enthusiastic, add greatly to school life.

Some of the dancers in the Square Dance Group in the St. Patrick's Day Program were: Edward Barlow, Mercita Binner, Joan Buhles, Jim Ewert, Marianna Giacalone, Jeff Cunius, Rosalie Ives,

Marlene Kuske, Noreen Mullen, Betty Sedita, Barbara Speidel, Jonalee Staley, and Donald Wagner. This program involved many hours of practice before school, and the participants deserve much credit for an excellent performance.

Among the scholastically inclined Sophomores at Kensington are: Carol Ann Boesl, Lawrence Dobmeier, John Reilly, Ellen Thomson and Donald Waldowski, who are at the top of the list with some of the highest averages in the school. Close at their heels in "The Battle of the Brains" are Esther Pontrello, Barbara Button, Barbara Crockett, Donald Getzin, Al Griskevicius, Alicia Phillips, Maryann Zimmerman, constantly striving to surpass the top five and establish themselves in the desirable position. Studious, solemn, but sociable!

Did you know?

. . . Craig Johnston has a scholarship to Miami University waiting for him?

. . . Bruce Brock (Dennis the Menace) is learning baritone?

. . . Pasquale DeCollibus is the Junior Champion of the New York State Bicycle Race?

. . . Lucille Goble was a leprechaun in the St. Patrick's Day assembly?

. . . Ellen Thomson and Lucy Taylor belong to the Wakam Tanka Indian Dancers, while Tom Jachimiak favors the Chantezootas?

. . . Maria Notar is taking clarinet lessons?

. . . Sophomores Bob McIntosh, Jon Winer, Don Wobig, Carl Hollstein, and John Reilly are on the Stage Crew, the organization which helps make assemblies, dances and basketball games at Ken more enjoyable?

In the past we have heard and seen:

. . . Noreen Mullen's pantomime to "Santa Baby".

. . . Curtis Burger's version of "Georga da Wash'".

. . . Carol Wortman's display of talent for poster-making and speaking in assembly programs.

. . . Jonalee Staley and Judy Ingraham exercise their trombones in the Marching Band.

. . . Mary Jane Treadway as a majorette in the Marching Band.

. . . Lee Phillips accompany many performers in many assembly programs.

Slowly seeking success:

The Sophomore girls have wholeheartedly taken part in the girls' volleyball and basketball teams after school in the gym. Many of them also took part in the water show.

The squads of the Ken teams this year included many Sophomore boys. If the wonderful records of Ken athletic teams are to continue, we must depend on constant replacement by the underclassmen. This year, a number of Sophomores even made varsity teams.

We expect to see, steadily soaring skyward:

. . . Fred McNeil, our fearless fullback, make All-High.

. . . Gary Pache, Jeff Cunnius, Tony Lemper, Jack D'Amico, and Dave Appel snatch the Syracuse Cup.

. . . Al Mudd and Lewis Crapsi wrap their rackets around the Robert T. Bapst Tennis Trophy.

. . . Jim Ewert, Dick Bartha, Walter Flattery, and Dick Faber as the first four finishers in Cross Country meets.

. . . Larry Dobmeier, Carl Kilian, and Walter Huff roll up the score of the basketball team.

. . . Carol McKenna, Mary Lou Ruppel and Lou Ann Hasselbeck become mermaids.

. . . Ida Tursini and Elaine Grondahl pursue professional painting.

KENSINGTON IS PROUD OF ITS FRESHMAN CLASS

Although Freshmen are occasionally treated as "inferior infants" by their more sophisticated elders, the Class of '58 boasts many celebrities who have achieved school-wide fame in everything from athletics to beauty contests. Even the superior upperclassmen will have to admit the freshmen are really getting around.

The competition among honor roll leaders has been excitingly keen this year. However, we are not surprised to find that Rosanne Rothfuss, who received a 100% Jesse Ketchum Medal average last year, was in first place. Following close behind are Marilyn Aust, Gayel Panke, who was runner-up in the Jesse Ketchum awards, Rosemarie Bondanza, Shirley Fruth, Beth Brown, Elaine Scheppan, Lois Beicke, and Lois Curran.

Due to the efforts and ideas of "cheery" Terry Crotty, "versatile" Ken Agosti, and their committee members the Shamrock Shuffle became another of our successful school dances.

Indeed, it was a "great day for the Irish" when our petite Linda Vona captured the title, Miss Ireland, at the freshman dance.

We won't be too surprised if Tony Spirito Santo decides on a career of radio or television announcing because of the excellent and natural way he emceed the Shamrock Shuffle.

Three enthusiastic and sprightly freshmen: Hedda Sproghe, Mike Mercurio, and Lance Billingsley, have been seen at pep rallies and games this past year gaily leading cheers.

An expense-free trip to Washington, D. C. was recently won by Rosemarie Bondanza, because of her winning entry in the annual Americanism Essay Contest.

With the winning of the eleventh consecutive Syracuse Cup many Ken freshmen have become well-known because of their aquatic abilities. They are: Bill Appel, Dick Bernard, Paul Kreinheder, Dave McQuay, Tom Niezgoda, Fred Ruppel, Jay Walter, and Bob Wilson. We feel confident that with added training these swimmers will bring that coveted cup home to Kensington for many more years.

Certainly these active students have helped to prove how valuable we freshmen are to our school.

FRESHMAN FRAGMENTS

Because of the varied interests and active participation by freshmen in all activities, we predict a variegated future for the Class of '58.

Probably the freshman with the highest goal is Don Whited, who is certain of his success as President of the United States. Ken Meierjurgan will run for Vice-President. Remember, boys — when you get in office — no more homework, but longer vacations!

We hope to see Loretta Silvaroli and Dick Venator as Declamation Contest winners because of the first place city-wide honors they obtained last May in the Richmond Speaking Contest.

Another one of our talented prospects is Gerard Eckert, who we believe will some day lead a famous orchestra or become a concert pianist.

Also, we're hoping to see:

. . . "Sweet" Ro Marinaccio as a famous soprano.
. . . Kevin Walsh and Vern Schmitt as Ken basketball heroes.

. . . Joan Ruzeski, Diane Rusch, and Carolee Piersall in more of their comical "hillbilly" routines.

. . . Ted Berger and Ken Schmitt win many more chess matches.

. . . Judy Watts in more of the entertaining skits we have enjoyed.

. . . Jim Bates, Dave McQuay, Bob Wilson, Tim Crooks, Dave Boyle, Paul Kreinheder, Wayne Notaro, Bob Thurlow, and Nelson Schnabel as some of the fastest cross-country runners in the high schools.

. . . Barbara Rathman, Erna Mathewson, and Rosie Bondanza create more of their life-sized dolls, such as Katy O'Day, who advertised the Shamrock Shuffle.

. . . A victorious Harvard Cup football team having as some of its members: Ken Agosti, Bruce Kirchoff, Ken Meierjurgan, Brad Pankow, Vern Schmitt, Jack Smith, and Tony Spirito Santo

. . . Sharon Rommel as a celebrated dancer on the Broadway Stage.

. . . Many more of the original posters turned out by Dawn Shaeffer, Carol Bielicki, and Bob Kalbfleisch, who all possess artistic ability.

. . . And most of all — what it's like to be a sophomore!

GIRLS' HALLOWE'EN PARTY . . . BIG SUCCESS

It was all there as usual, — the colorful grand march, the traditional gold ring, the costume contest, cider and doughnuts, — plus sparkling enter-

tainment. Besides this, we were happy to have several of the faculty members' children as our guests.

Roseann Rothfuss receives her ring from Mr. Chassin.

HONOR ROLL LEADERS

The chief aim of Kensington is to fulfill the main purpose of education; to train the leaders of tomorrow that will keep our country as strong and as

democratic as it is now. It is the training of the America of the future. In this scholastic achievement, we are proud to have so many that excel.

ACTIVITIES

JUST AS A DRAUGHT OF WATER GIVES THE BODY NEW LIFE, ACTIVITY REFRESHES MAN PHYSICALLY AND MENTALLY. ACTIVITY, LIKE THE SEA, WASHES AWAY DISCOURAGEMENT AND MELANCHOLY AND ASSUAGES WORLDY CARES. WATER IS ALWAYS MOVING IN RECURRENT CYCLES, ALWAYS COMPOSED OF VARIED MATERIALS. CHANGING CONSTANTLY, EVER PRESENTING NEW CHALLENGES, OUR PASTIMES WASH EVERYTHING CLEAN AND URGE US TO DRINK DEEP OF THEM.

LIKE PURE, FRESH, SPARKLING WATER, ACTIVITY IS THE BASIS OF WHOLESOME LIFE. MAN'S ABILITY TO THINK AND TO JUDGE GRADUALLY WITHERS AWAY WITHOUT STIMULATING ACTIVITY. THEN MAN HAS NO INTEREST IN HIS FELLOWS; HE CANNOT PARTICIPATE IN CONVERSATION NOR CAN HE MEET AND UNDERSTAND THE PROBLEMS OF LIFE.

TRYING THROUGH THE AGES TO CONTROL WATER AND PREVENT IT FROM BECOMING DESTRUCTIVE, MAN HAS MADE IT MORE BENEFICIAL TO HIM. LIKE THE GIANT DAMS HE HAS CONSTRUCTED TO HOLD WATER, PROPER GUIDANCE IS A GUARD AGAINST DESTRUCTIVE ACTIVITY. AS WATER PENETRATES THE MOST MINUTE CREVICES ALONG ITS SHORES, SO THE TIDES CREATED BY A PERSON'S ACTIONS PENETRATE THE MIND, BUILD IT, OR WEAR IT AWAY. THE ACTIVITY WE PARTICIPATE IN SHOULD BE CONSTRUCTIVE, FOR THUS WE LEARN SOUND PRINCIPLES AND IDEALS WHICH SOME DAY WILL BE LIKE "THE NOISE OF MANY WATERS" DROWNING THE EVIL FORCES THAT SEEK TO INHIBIT TRUTH AND JUSTICE.

ACTIVITY, LIKE WATER, PASSES QUICKLY AWAY, AND ALL WHO CAN SHOULD SWIM IN THE SEA OF KNOWLEDGE, INTEREST, AND ENJOYMENT.

EDITOR-IN-CHIEF

"Still waters run deep."

William Raymond has done an excellent job as editor. His winning personality has been an inspiration to the members of the various staffs. He discreetly chose chairmen and committee members according to their ability, and saw to it that everyone was occupied with an assignment. Periodically he called meetings to observe our progress and to give helpful advice.

ART EDITORS

Our art editors, Arlene Hartman and Ronald Stockinger, have assiduously devoted themselves to the completion of a beautiful yearbook. Ronald created the cover, which symbolizes the theme. Arlene has been very cooperative and of inestimable value to the art staff. Since every sketch and drawing must be inspected before it can be put into the yearbook, the editors have had a large task to accomplish. Both Ronald and Arlene have been superb in coping with their responsibilities.

"Everywhere water is a thing of beauty, gleaming in the dewdrop; singing in the summer rain; shining in the ice-gems, till all the leaves seem to turn to living jewels; spreading a golden veil over the setting sun; or a white gauze around the midnight moon."

ART STAFF

The art staff showed dexterity, skill, and ingenuity in their assignments and produced remarkable works of art. After careful planning and thought they created drawings that enhanced the beauty and clarified the theme of the yearbook. They toiled diligently, giving up their own time to assure the artistic excellence of the drawings.

LITERARY STAFF

The patience and literary ability of the yearbook scribes has been a dominant factor in the publication and successful outcome of the **Compass**. They have spent many hours of their own time writing, correcting, and re-writing their manuscripts. Their tireless efforts have been influential in making the **Compass** an outstanding book.

PHOTOGRAPHY STAFF

A picture is worth a thousand words! All through the year our photographers have been present at athletic, social, and educational functions of Kensington. With their cameras, they subtly captured the excitement and thrills of football games, the

smiles and laughter at dances, and the attention and interest of the students as the debate team expounded its arguments. When we refer to these pictures in the future we shall recall the happy hours spent at Kensington.

ADVERTISING STAFF

The perseverance and tact of the advertising staff has boosted the sale of patron ads. Without financial backing it would be impossible to publish a yearbook such as ours. All the home rooms com-

peted in the ad contest which encouraged the students to redouble their efforts. The staff is to be commended for their work and achievements.

STUDENT COUNCIL

Since its organization in March, Kensington High School's first Student Council has become an active force in the school.

Beginning with an Advisory Committee of about one hundred members, the Council has become an organization of one representative from each of the fifty-one homerooms. With Mr. McMahon and Miss Maloney as faculty advisors, the Council began to function with elected officers and appointed committees. A constitution was written and the Cafeteria Committee unveiled plans to make our lunchrooms "a better place in which to eat". New rules were instituted and recorded music was offered.

Each homeroom received a copy of each meeting's minutes. The Spring Swing on April 30, sponsored by the Council, was a big success. A Field Day, another innovation, was tremendously received.

Our Student Council is an organization to be respected and commended for the work it has done in the short time it has been functioning. Mr. Chassin, Mr. Axlerod, and Mr. Hayes have initiated a group that will be a living memento to their devoted interest in life at Kensington.

The continued keen interest in unaccompanied choral singing is evident in the many fine programs given this year by the A Cappella Choir.

Morning assembly concerts presented at Thanksgiving time, St. Patrick's Day and at Easter time included a wide variety of songs. Some of these

were "You'll Never Walk Alone," "I Believe," "Drink to Me Only with Thine Eyes," "The Home Road," — spirited Irish melodies: "Galway Bay," "The Rose of Tralee" — memorable classics: "Sylvia," "In Joseph's Lovely Garden," "Early One Morning" and the beloved "Lord's Prayer."

The singing of the lovely Cherubim Song by the Mixed Choir and the reverent "I am the Resurrection" by the Boys' Choir from the balcony left a

never-to-be-forgotten memory at the Memorial Assembly for Miss Walker.

Several notable evening performances were also given in the Ken auditorium. These were presented on Parents' Night, Open House in the Fall, and in the Spring Music Festival in May.

Mr. Carroll Geiger, our dynamic new director of instrumental music, has led Kensington's 73-piece band in many stirring performances. Long hours of practice and assiduous attention to detail have produced precision, vigor, and a fine **esprit de corps**.

On Tuesday, March 2, during the Beat Bennett Basketball Assembly, our master musicians were led by Maestro Morton Achter. That same afternoon

a group of band members performed as a Basketball Marching Band, a new division of the main band. Another segment, the Ken Dance Band, was featured at many school dances. On March 17, the traditional McNamara's Band climaxed our St. Patrick's Day assembly.

Valuable assets to next year's band will be the sixteen novices who comprise the freshman band.

SPRING CONCERT A TREMENDOUS SUCCESS

On May 18, 1954, a large and enthusiastic audience applauded **A Festival of Music**, presented by the A Cappella Choir, the Orchestra, and the Band, directed by Miss Townsend and Mr. Geiger. The

swift-moving and varied program included a chalk sketch done to **Deep Purple**, by Mr. Fisher, and solos by Janet Robinson, Carol Vann, Pat Geyer, Morton Achter, and Dorea Bumbar.

The Marching Band, directed by Mr. Geiger, is a marvel of perfect pitch and measured precision. Their performances between the halves at football

games were a joy to watch; and the stirring music they made was a treat to listen to.

In its conductor, personnel, and musicianship, Kensington's orchestra is one of the best in Buffalo. Mr. Geiger has skillfully molded the four orchestral choirs into a single harmonious whole. Woodwinds,

percussion, brass and strings performed with admirable accord at Christmas, at Easter, in the Spring Concert, on Junior and Senior Days, at Commencement, and on many other occasions.

Afternoon dances to raise funds for a Public Address System were an innovation this year. To add zest to these occasions, Mr. Geiger organized and trained a Dance Band, which made a successful

debut at Santa's Snow Ball. Precise tempos, smooth styling, and popular appeal gave the Ken Dance Band a sensational start.

KEN DANCE GROUP

Since the formation of the Ken Dance Group last year, this organization has become one of the most popular school activities. Meeting mornings before school began, the group learned square dancing from Mr. Duquin and social dancing from Mrs. Lufkin.

On March 17 during the St. Patrick's Day program, the group danced an Irish Lilt and an Irish square dance to music supplied by Mr. Geiger and part of the band. Enjoyment, both for members and for the school, is the keynote of all Ken Dance Group activities.

WAVES OF DANCERS SWIRL AND EDDY IN GYM

One fourth of the student body stayed after school this year — to dance for fun and — for a cause.

A benefit dance for injured football players, and others to raise funds for a Public Address System were planned by Class Committees, who featured such notables as Santa Claus, Tony Castiglia; The King and Queen of Hearts, Tony Castiglia and Barbara Markham; Miss Ireland, Linda Vona; and famous vocalists.

The Beat Bennett Bounce, Santa's Snowball, the Sweetheart Swing, the Shamrock Shuffle, and the Spring Swing sparkled with enthusiasm and enjoyment.

Cafeteria decorations, unique, imaginative, and beautiful, were another innovation this year. For Hallowe'en, Thanksgiving, Christmas, Valentine's Day, St. Patrick's Day, and Easter, the cafeterias were appropriately decorated by student committees, inspired and directed by Mr. Hayes.

LATIN CLUB . . . ROMAN RELATIONS

Senatus, Populusque Romanus, "the Senate and the Roman people," is the new name of this year's Latin Club. Members elect officers to correspond to the governmental leaders of ancient Rome. The aediles organize and present the program, while the censors of each class take attendance. The secretary's work is fulfilled by praetors. Tribunes correspond to representatives of the common people of Rome, and the duty of the quaestor is to act as treasurer.

Not only does this club inform its members about Roman habits, customs and civilization; it also develops their imaginative leadership. In one of the meetings several of the young Romans presented an original skit. Baskets were sent to a hospital at Christmas. Everyone participated in the annual Christmas party. Games requiring a knowledge of Latin were played. The Roman Saturnalia was explained.

DEUTSCHES VEREIN

The German Club's varied programs and stimulating activities were a source of satisfaction to all who participated in them. Led by a president with numerous ideas, the Deutsches Verein learned German games, songs, and folk dances. They heard

recordings of German songs, poetry, and classics. Watching two German movies at a neighborhood theater, learning poems by Goethe, and attending the Christmas Party given by U. B.'s German Club were other highlights of the current year.

Because of their interest in the ancient Greek language, the members of last year's Greek class have continued The Athenaeum. These students attend the club to keep their knowledge of Greek alive. Also by reading Aesop's fables and selections from other Greek writers they have added to their knowledge of the Greek language.

SORTES VERGILIANAE

Sortes Vergilianae is made up of the members of Latin IV class, whose chief objective is the reading of Vergil's great epic, the "Aeneid," which relates the adventures of Aeneas in the founding of Rome. We find it interesting to note the dependence of Vergil on the Homeric poems, which preceded him; and his own influence on numerous poets throughout the ages, even in our own times. In

fact, quotations from Vergil are so familiar because of their beauty and aptness that we can use them in almost every human situation. In addition to the actual story of the "Aeneid," the poem is so full of allusions to ancient legend that a thorough study of Greek and Roman mythology is necessary for a deeper knowledge and an increased appreciation of this outstanding work of ancient literature.

FRENCH CLUB . . . GALIC GLAMOUR

Would you like to spend April in Paris? This may be an impossible dream, but picturesque France is available to all who attend monthly meetings of Le Cercle Francais. The works and lives of French writers such as Moliere, Corneille and Voltaire; and painters Millet, Corot, and Van Gogh were discussed.

Magnificent French cathedrals, cities, and museums were described. Members played games and sang songs like "Frere Jacques" and "Sur le Pont d'Avignon." French anecdotes provided amusement.

THE STUDIO CLUB

The depth and power of the sea, Neptune and his realm and the influence of water on man, has been the pattern for all art work this year.

The five foot laminated paper snowman, constructed for Santa's Snow Ball, was changed into a fierce looking monster, amidst mobile fish, painted backdrops, seaweed, and real mermaids, for the water show scenery. This group demonstrated their work in the Art Room on Parents' Night, donated paintings to the Junior Red Cross exhibit, and pre-

sented an educational and entertaining art assembly.

From these projects, and many more, members, under the supervision of Miss Davis, have learned to turn inspirations into reality. It's the enthusiasm, hard work and ability displayed by a student, that welcomes him to this club.

Officers this year are: Carol Baun, President; Nancy Blumreich, Vice-President and Secretary; and Arthur Schmidle, Treasurer.

LIBRARY . . . WHERE WE DRINK DEEP OF THE WATERS OF KNOWLEDGE

Alyce Patterson, Irene Geiger, Gertrude Mauer, Sandra Paulson, Bertha Martina, Patricia Makowski, Dolores Powalowski, Miss Pierman, Delphine Cioch, Connie Alicata, Nancy Morlock.

Efficiency . . . tranquility . . . information . . . pleasure . . . the Library, of course!

Here are Knights at work. Library monitors shelf books, type and file cards, deliver over-due slips, arrange magazines, assist students and teachers. Miss Pierman, librarian, trains the monitors.

Frequently Miss Pierman instructs entire classes on library procedures and services. Freshmen are introduced to the card catalog, the Dewey Decimal System of classification, reference shelves and the general functioning of the library. Upper classmen are taught the fundamentals of research work. In cooperation with the teachers Miss Pierman has set

aside entire shelves containing literature assigned for classroom projects.

A special library service is the faculty library which includes best sellers in fiction and non-fiction.

Gay bulletin boards and colorful book jackets advertise stimulating new books. The magazine rack contains the latest issues of thirty-five currently popular periodicals. Pamphlets, a short cut to information, enjoy a wide circulation.

This year, in one semester, 10,000 students used the library and in this time over 10,000 books were in circulation.

AUDIO-VISUAL AIDS BRING WORLD INTO CLASSROOM

"Projector and operators wanted in Room 463 on Tuesday during Period 1, 2, 3, 4L, 6, 7 to show film entitled 'A IS FOR ATOM!'" Such is a typical request which is made to Miss Panzica, who is the coordinator of Audio-Visual Aids.

The center of all Projection Staff activity is the Staff Office, Room 412, where the Staff secretaries see that the teachers are familiar with the material available and order films. In addition, the girls set up a schedule and make out assignments to make sure that the operator, projector and film arrive at the classroom at the requested time.

Only when he is thoroughly familiar with the

equipment is an operator sent out on an assignment. He goes through a general instruction period first, then he is assigned to an experienced operator from whom he receives personalized instruction and guidance in the proper way in which he handles an assignment. The equipment includes movie projectors, slide and filmstrip projectors, screens, record players, and wire recorders.

The endless work which must be done before a classroom film can be shown makes the Projection Staff invaluable as a service organization in helping to "bring the world into the classroom."

The American Junior Red Cross is one of the outstanding organizations here at Kensington. Under the guidance of Miss Louise Belden, the purpose of the Junior Red Cross is to promote understanding, cooperation, and service among the youth of all nations.

At the Area Council, consisting of representatives from Erie County schools, the work of this region is coordinated. Our school council is made up of the officers of the various committees who plan the club's activities, and is presided over by Paul Stoll.

In Kensington, the committees strive to fulfill the Junior Red Cross purpose. To promote understanding, the School Album Committee prepared

We also participate in an exchange with students abroad of pictures which boys and girls have painted depicting life in their respective countries. For cooperation and service, a group has been formed to provide amusements, in the form of treats, tray favors, and scrapbooks for the patients in Buffalo hospitals. Also, the Junior Red Cross supplies capable volunteers for work every day in Central Supply and Pharmacy in the Veterans' Administration Hospital, where Kensington's contribution is outstanding among area high schools.

The Junior Red Cross is proud to be able to perform these beneficial services and to do good among the peoples of the world.

WKEN STAGE STAFF

"Practical experience in all phases of program production including stage crew activities, is an ideal basis for advanced radio and television work." So said WBEN programming executive, Mr. Fred Keller, in response to the question: "What background is desirable for those who aspire to radio and television announcing or acting?"

WKEN provides broad practical experiences, such as stage lighting for Christmas Pageant, and Water Carnival, sound effects for plays, record programs

and announcing for basketball games and dances, in addition to assembly programs. Type recording and play-back of programs is a further rewarding experience.

Whether they wish to continue stage work as a career, WKEN members have every opportunity to learn by doing, while making important contributions to school life.

WKEN features teamwork rather than starring roles. In WKEN every member is an officer.

DEBATE . . . TO EACH HIS OWN ARGUMENT

Resolved: That the United States adopt a policy of free trade. Kensington's debate teams discussed this topic April 2.

The affirmative: Kenneth Schneider, Patricia Schrack and Thomas Ahern, debated Lafayette. The negative team: Daniel Goulding, Sandra Betz and

John Storms defeated Grover Cleveland. Both teams were coached by Miss O'Meara.

The affirmative team won eight points at Lafayette; the negative team was accorded nine points at Kensington. The combined total of seventeen points enabled the Knights to finish in second place, runner-up to South Park.

"Who without books assays to learn,
Draws water in a leaky urn."

Books and experience both contribute to make a person successful. Along with the books and notes they used in class, many of Miss O'Meara's Public Speaking and Dramatics students formed a

group which presented a great variety of acts during the year including "Little Blue Riding Hood" and "Christmas Dagnet." Practicing tirelessly under Miss O'Meara's guidance this group patched their "leaky urn" and learned much from their experiences.

PUBLIC SPEAKING . . . WAVES OF WISDOM

"Public speaking is based on the common act of everyday life, the act of conversation." Public speaking is the cultivation of mind and tongue so one is able to speak to an audience as he does with his friends.

Through their efforts and those of Miss O'Meara, a group of Kensington students has brought to itself and their school much recognition. These people have learned how to conduct a program and to present valuable information.

Honors were earned by many. John Storms won the Boys' Inter-High Speaking Contest May 11. Kenneth Schneider was local winner of the Knights of Pythias Speaking Contest and represented Ken in New York City on May 28. Joyce Cameron won the city-wide Girls' Declamation Contest. Patricia Schrack was first in the Voice of Democracy Contest. Daniel Goulding won three firsts for his oration on the Constitution, in the city, the district, and the zone.

Record Group's weekly meetings feature music of all types — suites, symphonies, opera, dance forms — and composers of all time, from Beethoven to Britten; Palestrina to Stravinsky. Ruth Jones, Paul Storm, and Warren Wagner presented pro-

grams. Mr. Geiger delivered a provocative and inspiring address. Films, musical scores, demonstrations, and student discussions were other media through which we realized music's "deep enchantment."

KNIGHTS OF THE CHESS BOARD

The leader of the Knights of the Chess Board is Mr. Millard, Coach of Chess Team and sponsor of Chess Club. In October Carl Nepokroeff won a coming-up tournament featuring all club members not on last year's Chess Team. In March, Bill Rusch captured the School Championship. Dave Fisher was runner-up.

Early in March Ray Black, City Chess Champion,

visited the club and played twenty members simultaneously. Winning eighteen matches Bill Rusch and Carl Nepokroeff gained draws with the one-time New York State Champion.

The Chess Club is the basis of our Chess Team, which finished second in the ten-member High School Chess League.

SLIDE RULE CLUB

Are you one of the skeptics who does not believe that seven is half of twelve? Do you also not believe that one is equal to zero? Neither did I, until a Slide Rule Club member proved that these statements are seemingly true.

Doing mathematical tricks, learning how to use

the slide rule, sextant and micrometer caliper, and using the transit to measure the height of a local chimney are projects that helped the club members acquire knowledge of the basic principles of mathematics and engineering.

KENSINGTON RADIO CLUB

Ever wonder about the purpose of those parallel rods on some rooftop T.V. antennae? This is one of the many projects Radio Club members had a chance to try out for themselves with the aid of a "long-lines oscillator" transmitting at T.V. frequencies. They found that properly spaced "reflectors" and "directors" of a "yagi array" do build up signal strength as well as serving as resting places for tired sparrows. Club members also traced radio and T.V. back to their sources through trips to station WBEN and to Sylvania Electric, where complete receivers

are produced. Paul Bullinger, Radio Club alumnus, now active with Standard Electronics, brought the club a demonstration of "picture tearing," "out of sync," "lack of raster" and other T.V. service problems.

The Club is fortunate in having an instructor who keeps in constant touch with new developments through teaching in the evening sessions of the Buffalo Radio Institute. Numerous demonstrations and analogies do much to clarify the wonders of radio and electronics.

COMMERCE CLUB

Business and pleasure do mix! Commerce Club activities this year combined information and inspiration, — entertainment and enlightenment. We heard a lively talk by Pat Czersinski, last year's president, visited the business offices of National Gyp-

sum Company, welcomed guest speakers who discussed opportunities in secretarial and office work, enjoyed a hilarious skit directed by Dr. Eagan, ate hugely at our annual picnic. It was a wonderful year for Commerce Club!

COUNCIL ON WORLD AFFAIRS

The Council on World Affairs, organized and sponsored by Miss Walker, has become a living memorial to her. The members this year represented Sweden in the U. N. Model Assembly, a project to which Miss Walker devoted tireless and

zealous attention.

Lively discussions of communism in government, Senator McCarthy's investigations, and the functioning of United Nations gave Council members invaluable information as well as forensic training.

JOURNALISM CLUB

The Journalism Club teaches students the correct ways to read newspapers, publishing procedures, writing techniques, methods of gathering news, and the vocational possibilities of journalistic careers.

When collecting news the reporters become better acquainted with school activities. Students also find that careful reading of lead sentences helps them to become well-informed and to write con-

cise'y, factually and objectively.

A tour of the **Buffalo Evening News** showed the theory learned at club meetings put to practical application.

The Journalism Club published a Christmas issue of "Ken Key Notes," thus achieving its journalistic aims.

HOMEMAKING CLUB

Experienced guidance combined with the efforts of the Program Committee have led the Homemaking Club through another successful year.

Activities included a comprehensive tour of the State Teachers' College campus, making decorative Easter favors for children in hospitals, serving luncheon at the teachers' convention and modeling

at the fashion show. The Valentine party was an outstanding success and the annual dinner party climaxed an exceptionally happy year.

Through these projects and entertainments the girls have learned much that will enable them to fulfill efficiently their future roles as citizens, homemakers, and mothers.

THE TROPICAL FISH CLUB

The Tropical Fish Club, one of Kensington's youngest organizations, has vigorously promoted interest in the aquatic life of the Seven Seas. Raising mollies and guppies, controlling the diseases

of tropical fish, and maintaining a balanced aquarium are only a few of the achievements of the members. If you have any interest in Tropical Fish, you are cordially invited to join this club.

CAMERA CLUB

Kensington "shutter-bugs" grew so enthusiastic about their hobby that the school's first Photography Club was organized this year.

Participation in several photographic contests highlighted club activities. Congratulations to Jack Ebel, who won a Scholastic Press Photographic Contest! Besides the projection of transparencies and demonstration of the use of various camera types, panel discussions were held. Jack Ebel talked on

photographic composition. Several films on photographic techniques were shown. Members brought in their own work for group analysis and criticism. From surplus club funds, the "Camera-Clicks" plan to purchase several books on photography to augment the school library's collection.

A camera walk at Fort Erie during Easter vacation was the climax of many informative activities.

ATHLETICS

AS VAST TIDAL WAVES OF ENERGY ARE CREATED BY THE GREAT WINDS OF THE WORLD, SO ARE ATHLETES INSPIRED BY THE CHEERS OF SPORTS FANS IN COUNTLESS HIGH SCHOOLS.

WHEN A BOY TRIES OUT FOR AN ATHLETIC TEAM IN HIGH SCHOOL HE NEEDS TO BE BUILT UP BEFORE HE CAN PERFORM ADEQUATELY IN COMPETITION. AT THE BEGINNING OF THIS BUILDING UP PERIOD HE MIGHT REPRESENT A TRICKLE OF WATER IN A SPRING THAW. THEN AS HE GROWS STRONGER HE BECOMES A RIPPLING BROOK, AND AS HE TRAINS HARDER HE TURNS INTO A MIGHTY RIVER PRIMING AND BUBBLING WITH ENERGY. IT IS THEN, WHEN HE HAS THE FORCE OF NIAGARA, HE BECOMES AN ACTIVE PART OF THIS OCEAN OF POWER, THE TEAM. NOW HE CAN HELP THOSE WHO INSPIRED AND PUSHED HIM THROUGH HIS TRAINING PERIOD.

THIS TEAMWORK RESEMBLES A FLOOD WHERE EVERY MOLECULE OF WATER PUSHES THE OTHER UNTIL THEIR MOMENTUM MAKES IT IMPOSSIBLE FOR THEM TO STOP. EVERY PLAYER HELPS HIS TEAMMATE, AND TOGETHER THEY BECOME AN ALMOST INVINCIBLE GROUP.

THEN VICTORY UPON VICTORY IS WON AND SOMETIMES WHEN MAGNIFICENT EFFORT IS EXERTED A RECORD FALLS. BUT EVEN THEN THESE MEN ARE NOT SATISFIED. THEY TRAIN AND TRAIN MORE UNTIL PERSPIRATION DRENCHES THEIR PROUD UNIFORMS AND THEY ATTAIN THE SKILL NEEDED FOR VICTORY WHEN THEY ARE IN COMPETITION.

ATHLETES LOVE AND NEED COMPETITION. IT IS THIS YEARNING THAT MAKES THEM CHANGE WATER TRANSPORTATION INTO SPEED BOAT RACES, SAIL BOAT RACES, AND SWIMMING RACES. THIS GOES INTO DIFFERENT MEANS OF TRANSPORTATION AND DIFFERENT FORMS OF ATHLETIC ENDEAVOR; BUT IN EACH ONE TEAMWORK, SKILL, AND COMPETITION ARE NEEDED. THEREFORE ONE CAN SAY THESE FACTORS ARE AS IMPORTANT TO AN ATHLETE AS WATER HAS BEEN TO MAN THROUGH THE AGES.

CROSS COUNTRY

With the help of Dave Eckel, Roger Bock, Ron Ryan, Bill Roberts, Dick Bartha, and Jim Ewert, Cross-Country activities started in early September, when the boys began to train under the expert and watchful eye of Coach "Duke" Duquin.

The team, hoping to retain the championship, made a fine showing September 29 when they defeated Bennett and Burgard at the Delaware Park Lake. In the second meet the team finished second to a surprisingly strong McKinley team. The Ken harriers then bounced back in the third meet and downed Emerson and Riverside.

Then came the All-High meet which ended with McKinley the victor scoring 61 points, East second with 65 points, Kensington third with 79 points, and nine other teams following. Co-Captain Dave Eckel won All-High honors for himself by finishing third in the race. Nice going, Dave! Rog Bock, the other co-captain, just missed making All-High by placing sixth ahead of the other point-winners, Ron Ryan, Bill Roberts, and Dick Bartha. Walt Flattery, Dick Lock, and Frank Brill also ran well for Ken in the All-High Meet.

SCALP AND BLADE . . . TRACK AND FIELD

Pluvius, god of rain, has been the cause for the curtailment of the activities of Ken's track team. At the time of the writing of this article, because of his generous outpouring of rain, our first meet with Bennett and Burgard has been canceled, with the weather for future meets looking no better. The team, captained by Dave Eckel and Tom Webb, has had no chance to judge its strength. However, on paper Ken has a well balanced squad. Outstanding in the running events so far appears to be 100 yard

dash, senior Ron Russell, junior Ron Henry and freshman Verne Schmitt; 220 yard dash senior Gary Young and junior Tim McMullen; 440 yard dash, juniors Carl Stewart and Gerald Hesson; 1/2 mile run, senior Harry White and juniors Frank Brill and Dick Bartha; mile run, senior Captain Dave Eckel and juniors James Ewert and Walter Flattery. In the field events our hopes rest with seniors Dick Robinson, Don McPhee and Gary Young; in the hurdles, senior George Stock and sophomore Fred McNeil; in the shot put, seniors Dave Koch and Russ Coogan and junior Gerard Gregoire in the pole vault. Senior Don McPhee and junior Paul Brunner appear to be the best high jumpers with the broad jump wide open. To date the relay team appears to be seniors Ron Russell and Dick Robinson and juniors Ron

The football team of 1953-54, under the watchful eye of Coach Bergstrom, finished the season with a record of 3 wins, 1 tie, and 2 losses. Looking like all-stars at the opening of the season, the Knights were blistered with one injury after another.

In the first game Ken, paced by co-captain Tom Webb, defeated Tech by a score of 13 - 0. The victory cost us the full-time services of Dan Rochonski, who hurt his knee.

Then the black hand of fate clutched the Knights' armor as Seneca upset us 13 - 6. In that game co-captain Al Clark was afflicted with a shoulder injury. But worse than Clark's injury was the breaking of Tom Webb's leg when he fell late in that same game. "Oh, what a fall was there, my countrymen!"

The disheartened Knights were then surprised by Lafayette, who defeated us 13 - 20. This time

it was Rog Seibert who received a minor knee injury.

The team then bounced back at Grover Cleveland, downing them by a score of 31 - 18. The Knights were led that day by Ralph Wiepert, Darrell Chalcraft, Ron Henry, and Carl Muehlburger.

The team kept rolling with Tony Castiglia, George Stock, and the recovering Seibert leading Ken to a 14 - 7 victory over Burgard.

The Bennett game on "Turkey Day" ended in a hard-fought scoreless tie. The notables in that game were Al Clark, Gord Reinig, George Stock, and Bob Crompt.

Congratulations are in order for Al Clark and George Stock, who both received All-High Honors for their tremendous contribution to the team throughout the season. This is also a credit to the expert coaching of Coach Bill Bergstrom.

CHEERLEADERS SPARK SCHOOL SPIRIT

At Kensington, there is one group of students who will be found at any athletic contest. They

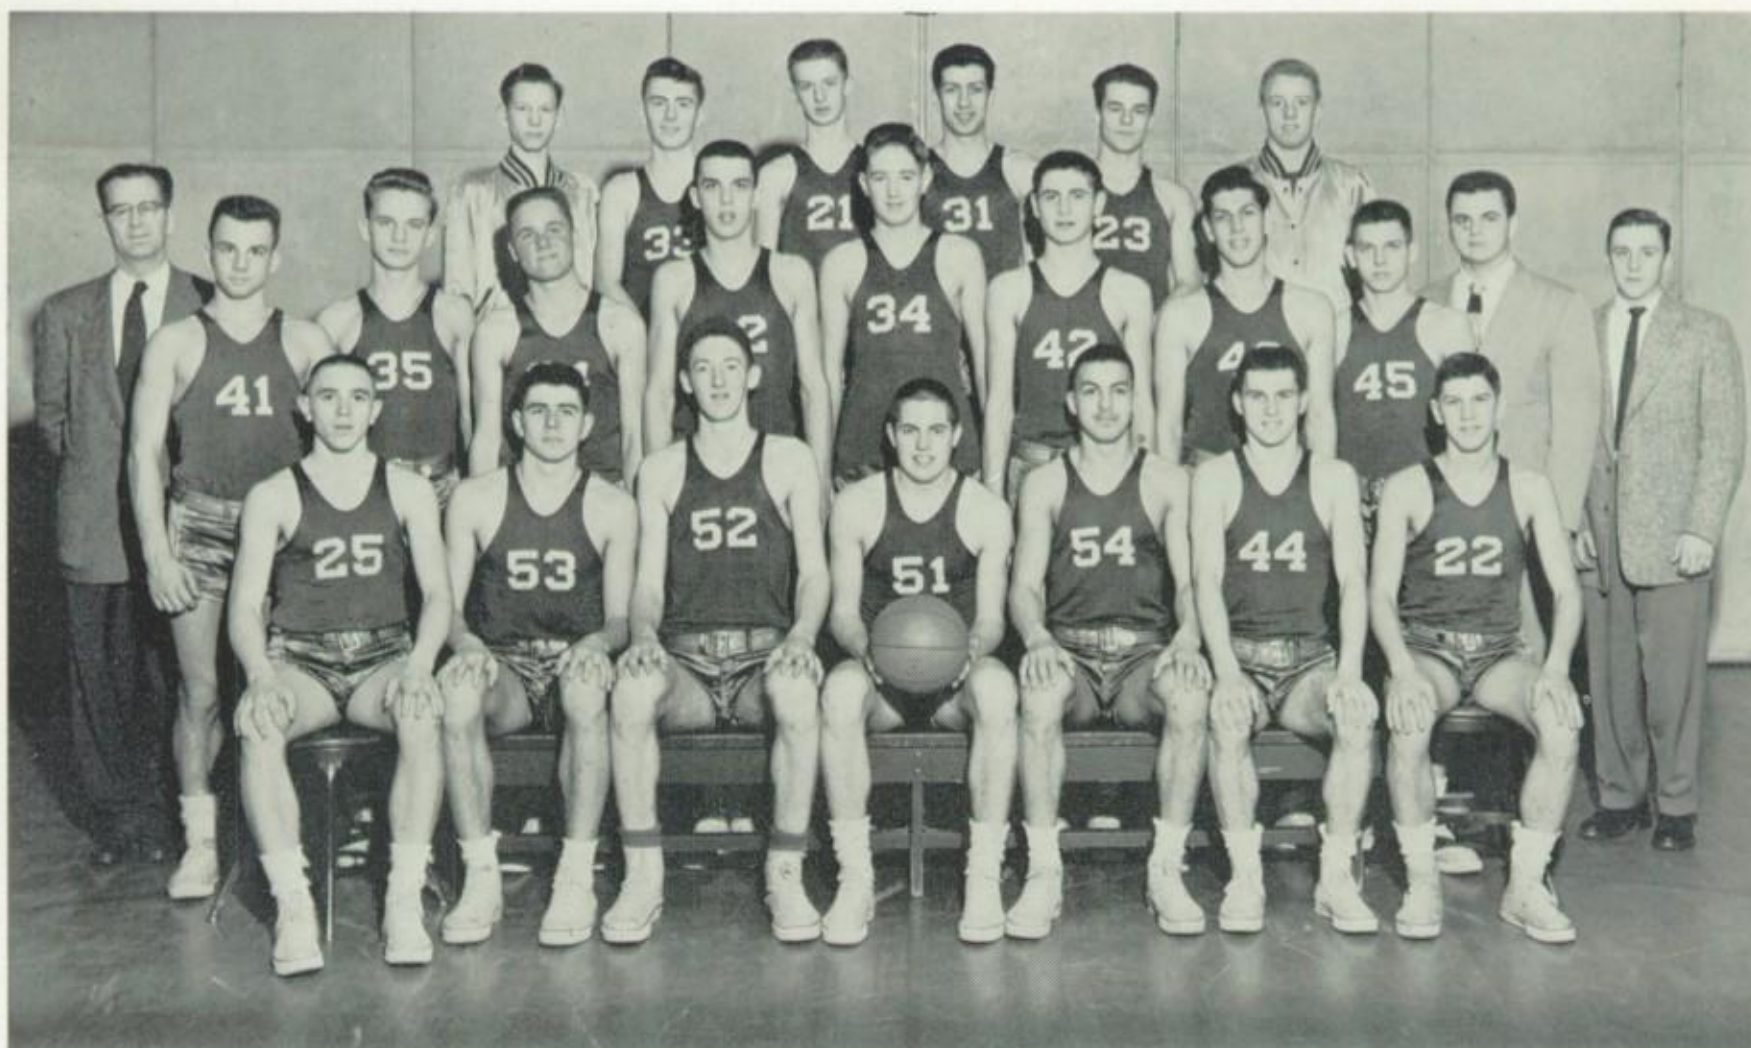

are the cheerleaders. With zest and enthusiasm they helped guide our teams to victory.

BASKETBALL

Coach Nilson's fine squad was anchored by Roger Seibert, Ralph Wiepert, Roger Bock, Ron Russell and Jerry Wojtkowski from last year's team and transfer students Connie Strzelczyk, Woodie Wagner and Jerry Hesson.

After beating East by 14 points the team went to Emerson where they lost by only three points on Sam Austin's basket in the last minute of play. Captain Rog Seibert paced the Knights by scoring

21 points. Ken then defeated Grover Cleveland and Technical in successive victories.

With the term over, Strzelczyk and Wagner were now eligible but Ken then lost the services of their ace ball-handler, Butch Wiepert, who broke his wrist in practice. The team continued to roll as they downed Lafayette, Burgard, South Park and Seneca in that order. Ron Russell, Jerry Hesson, and Connie Strzelczyk made a fine showing in each of these games.

Riverside upset the first place Knights by 1 point on a foul shot with 12 seconds left to play. The team then returned home and beat McKinley four days before our final game with Bennett.

The Bennett game, witnessed by a capacity crowd, saw Ken managing to stay ahead most of the way. The team suffered greatly as Connie Strzelczyk and Woodie Wagner fouled out in the third quarter. Then in the last moment of play,

Bennett, on a technical foul, got a one point edge and went on to defeat the luckless Knights 70 - 67.

Hats off to Rog Seibert, whose average of 16.8 points per game and magnificent ball handling won him All-High Honors this year. Congratulations to Coach Nilson, who did a fine job with the team in compiling an 8 and 3 record. Such a fine coach deserved better luck than losing those 3 games by a total of 7 points.

As in three previous years the Ken mermen finished the season with the winning of the Syracuse Cup, this year under the direction of Coach "Berk" Bergstrom.

The Knights opened the season with a 44 - 22 victory over Tech and continued their winning streak in the next meet as Darrell Chalcraft and Co-Captain Norm Mruk led the team to a 42 - 21 win over Riverside.

Then ably paced by Dave Koch's time of 57:3 in the 100 yard freestyle and by the efforts of Co-Captain Tom Rooney, Ken downed Lafayette 48 - 18. East came up with a few surprises, but the Knights, with Dave Eldridge in the lead, won by the score of 44 - 22.

Guided by Gordy Reinig and Marty Kahn, the team then defeated Bennett 41 - 22. The final

meet of the dual meet season against South Park proved victorious for the Knights as they were sparked by Tim McMullen's time of 2:13.4 in the 220 yard freestyle and Jim Urbanski.

The All-High meet also spelled out victory for the Knights as Darrell Chalcraft won the 40 yard freestyle and swam in the winning medley relay. Tim McMullen also won an All-High medal with his showing in the 220 yard freestyle. Others who made All-High were Norm Mruk and David Koch in the medley relay, and Tom Rooney, Dick Robinson and Gordy Reinig in the 160 yard relay.

Congratulations are in order for Mr. Bergstrom, who coached a swimming team for the first time in his career and led it to its fourth straight undefeated season.

What does a young man's fancy turn to in the Spring? Baseball, of course! Baseball brings to mind the ever-popular Kensington "Knights". Although it is a bit too early in the season, Coach Bergstrom has high hopes that the Ken "nine" will come through on the winning side of the bat.

The team has been helped out by the addition of Connie Strzelczyk and Woody Wagner, both transfers. Of course we have the old standbys as well. They are All-High shortstop Roger Bock; catcher Pete Catania; third baseman Dan Rochonski; pitchers Bob Wrona and Roger Shields; and second baseman Al Metzinger. New faces on the starting

line-up for the "Knights" of the diamond are Bob (Henry Aldrich) Kelly and Sam Bevilacqua. Gordy Reinig will also be seen along with Dick Faber.

Also trying for their major letters will be Ron Perosa and Tony Sartori. Naturally, "wherever 'Bergy' goes, so goes Sorgi"; so Frank Sorgi is the team manager once again.

The Tennis Team, practicing in all kinds of weather, mostly bad, again proved itself to be one of the most successful teams at Kensington. With only 3 returning regulars from last year's Championship Team, a tournament had to be played to determine who would comprise the team.

Co-Captain Tom Wiegert (the last of the fabulous Wiegert brothers), Joe Folts, and freshman Dennis Dux won first, second, and third singles positions respectively. Co-Captain Norm Mruk and Hank Dowski won first doubles and the hard-fighting

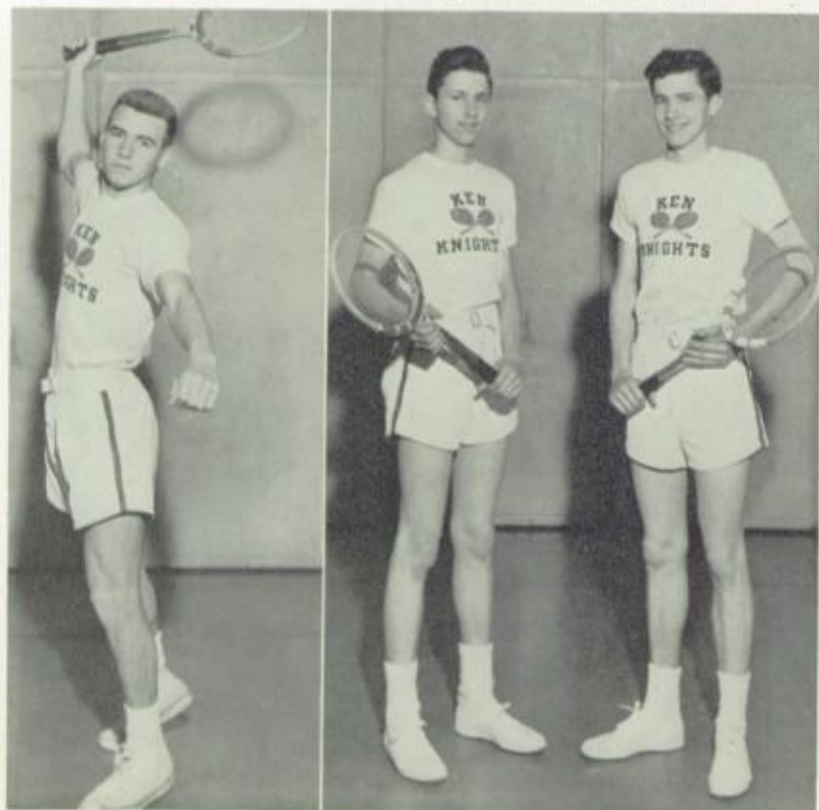

Schwan twins (Carl and Ed) won the second doubles position.

Because of the well-balanced squad, versatile Coach Millard found he had several substitutes close to the ability of the first team men. Among these are Jim Urbanski, Jim Ussel, Al Mudd, Lou Crapsi, Dick Herrick, and freshman Frank Tatko. All of these men saw a lot of action this year, so that an experienced team will be on hand next year to continue the fine record set by former Kensington Tennis Teams, who in the last 7 years have won 53 of their last 54 matches in league play.

Dennis Dux won All-High 3rd singles.

GOLF . . . OVER HILL, DALE, RIVER AND STREAM

Mr. John Meegan, David Timberlake, David Koch, James Lennon, Richard Robinson, James Urbanski, Charles Baschnagel, Michael DiPota, Walter Wilson, James Ferrick.

A great asset to Kensington is the Golf Club, which includes some of Western New York's best young golfers. The Golf Club's Team is composed of Dave Koch, Jim Urbanski, Dick Robinson, and "Smiling" Jim Lennon.

Here are some of the things these boys have accomplished. Dave Koch won a plaque for beating golfers of all ages in his class at the Lancaster Country Club and he also accomplished a hole-in-one at Grand View Bay. Jim Urbanski last year placed second in a tournament at Grover Cleveland against boys under eighteen years old from all over Western New York, and he also achieved a hole in one. Dick Robinson, Ken's long ball hitter, made one

of the longest holes in one on record in 1952, a 375 yard blast on the 5th hole at Grover Cleveland. Jim Lennon last year was fifth in a tournament at the Transit Valley Country Club and he also made a hole in one on the same course.

Mr. Meegan, an expert golfer himself, will accompany the club on an annual trip to Cleveland, Ohio, Erie, Pennsylvania, or some other course in Canada in order to condition the boys to playing on strange layouts. Other active members, who played victorious matches against Timon and Bennett, are: Al Metzinger, Joe Crandall, Mike DiPota, Dave Timberlake, and Jim Ferrick.

KEN HIGH SCHOOL CHESS TEAM . . . 1954

Ken Schmidt, Bob Getzin, Carl Nepokroeff, Bill Rusch, Don Getzin, Mr. Millard (Coach), Dave Fisher.

Using the Chess Club as the basis of our Chess Team Mr. Millard put six excellent players up against the tough competition of the other high schools in the Chess League. Led by Captain Bill Rusch, the team battled like knights of old and finished second in the league, losing only one match.

Bill Rusch and Dave Fisher won First All-High Honors, while Carl Nepokroeff and Ken Schmidt won Second Honors. Bob and Don Getzin also did well by winning many matches. All the boys on the team will be back next year, so we have hopes of capturing the chess title in 1955.

All-High medals were awarded to two juniors, Bill Rusch and David Fisher.

Bill Rusch is our new school champion, defeating Dave Fisher in the final.

The moving-up tournament was won by Carl Nepokroeff.

No swirling waves beat against a shore; no hollow mysterious sound implies vast unclaimed treasures of the undersea; yet the Kensington pool exerts the same fascination of the deep sea as mermaids gracefully slip into its aquamarine waters.

In early fall the greatest enthusiasts start to practice for active team competition for the school

championship. This year we congratulate the Sophomores, whose swiftness and keen stroking led them to victory. We also salute Freshmen, Juniors, and Seniors, who displayed sportsmanship and spirit in their aquatic endeavors. Everyone enjoyed the friendly competition stimulated by Miss Moore, who served as starter, timekeeper, and judge, as well as instructor extraordinary.

"In King Neptune's Realm," Kensington's 1954 Water Show, personified beauty and litherness and enhanced the theme of the yearbook. The spectators were temporarily liberated from their environment and became denizens of the deep. The artistically painted scenery, creating a panorama of underwater life, acted as the medium for this transforma-

tion. Supple mermaids imitated seals, porpoises, dolphins, and sharks, as Neptune observed from his throne. A human aqualung swam the length of the pool back and forth completely submerged. The aquacade also featured soloists who plunged symmetrically into the tranquil depths of Neptune's realm.

SOFTBALL ATTRACTS MANY ENTHUSIASTS

R. Pontrello, C. Grzedzielski.

One - two - three strikes! You're out! Softball games were played with 15 on a team, 4 innings to each game. The umpire, with traditional American yeas and nays, also played an important role. Spectators enjoyed softball, but not half so much as the players!

TENNIS IS POPULAR AND WELL-TAUGHT

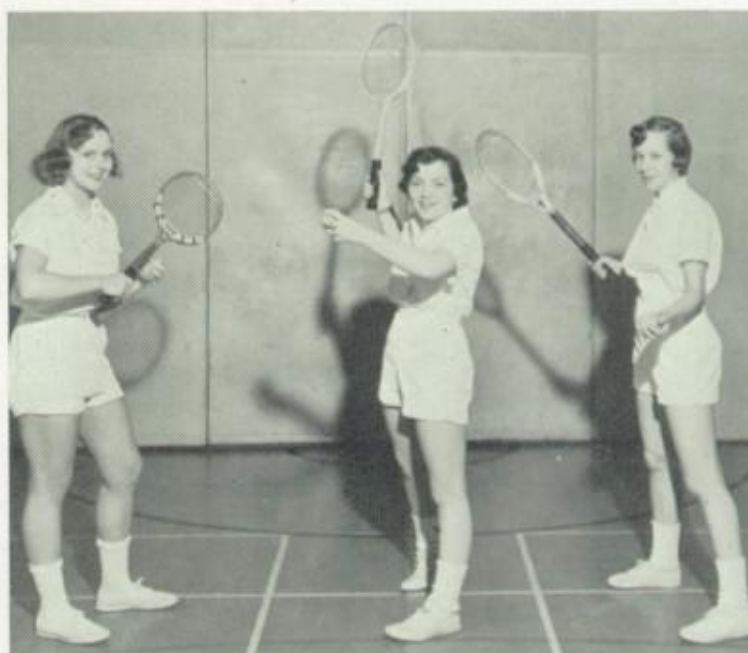

Each year 25 Freshmen and 25 Sophomores are taught tennis fundamentals. Rules and score-keeping are mastered in after-school meetings.

Girls are required to play 5 sets of their own, attend 5 practices after school Fridays, and observe 3 Ken boys' tennis matches. They must also pass a written test.

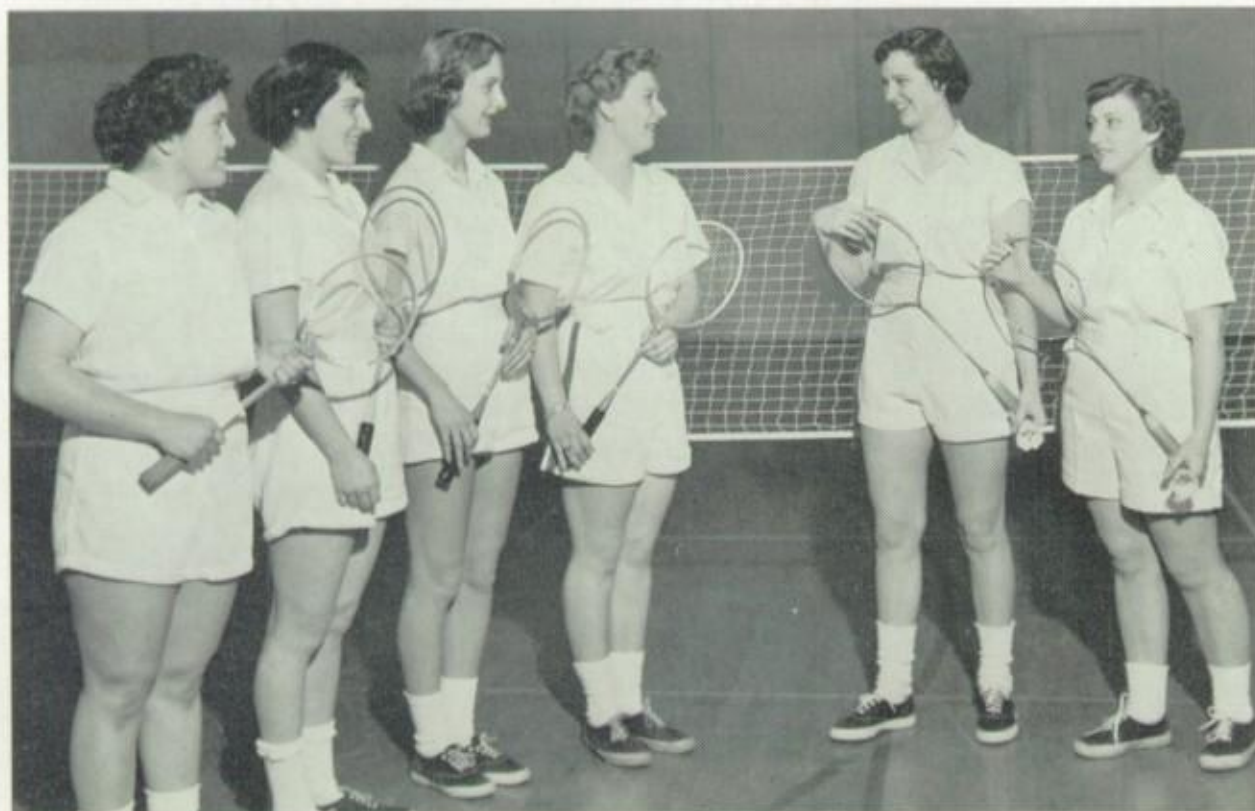

BADMINTON FEATURES SKILL, GRACE, COMPETITION

112 Juniors and Seniors, coached by versatile Mrs. Lufkin, heard lectures on badminton techniques and competed in tournaments. In the singles, Patricia Geyer was school champion, winning the finals over Janet Krull. Lois Koenig and Joanne Stockman played Carol Schultz and Patricia Geyer in the doubles finals.

Carol and Patricia also won top honors in the doubles semi-finals in the Western New York Amateur Badminton Tournament at Bennett, Patti reached the singles semi-finals. Congratulations, girls!

SKATERS WHIRL IN STEADY RHYTHM

Novices as well as experts enjoyed the two-hour weekly skating sessions at the Arena during November, December, and January. Beginners may

perform like choppy water on a stormy day, but the experienced skaters glide like flowing waves in midsummer. Mrs. Lufkin is skating instructor.

HIKING . . . ALL PALS TOGETHER

The fall hiking program for 1953 - 1954 sponsored by Mrs. Nilson and Mrs. Lufkin consisted of four hikes to Bennett Stadium to see the Kensington high football games. On October 24, 1953, approxi-

mately 100 girls braved the threatening weather to hike to Williamsville. The following tentative plans have been set for the spring schedule: a hike to Fort Erie, and hikes to Bennett stadium.

Each class had its own round-robin tournament, and the championship team from each class played

in the finals. The interclass competition was tense and exciting, but at the playoffs enthusiasm really ran high. The Juniors defeated the Freshmen 18 to 5; then the Seniors defeated the Sophomores 10 to 4. The Seniors, matched against the Juniors, continued to "sink those baskets," and were victors for the second consecutive year, by a score of 17 to 2.

Sixty-four girls, 40 Seniors, practiced precision drill formations every Monday, Wednesday, and Friday during October and November. They performed at various Kensington football games. A highlight was their performance at the Ken-Bennett

game on Thanksgiving. The group, trained to perfection by Mrs. Lufkin, also added color and excitement when they marched between the halves of the Ken-Bennett basketball game.

GOLD "K" AWARD IS TREASURED TROPHY

All through our school days at Ken, we, the Gold "K" girls have eagerly and willingly participated in after-school sports. Under the capable guidance of our four physical education instructors, Mrs. Samul, Mrs. Lufkin, Mrs. Nilson and Miss Moore, we have learned to display good sportsmanship in victory or defeat, teamwork and cooperation with our extra-curricular program.

Girls' athletics at Ken are numerous. Whether it's Fall, Winter, or Spring there is always some sport scheduled. These include basketball, volleyball, tennis, badminton, swimming, softball, hiking,

bowling, skating, baton twirling, and drill team. In order for a girl to earn her Gold "K" she must accumulate a total of 500 points over a period of four years. The first three years, a girl earns a felt letter "K" but in her fourth year she gets a little Gold "K" pin. This pin is precious to its owner and will always be treasured.

We would like to express our gratitude to the girls' physical education department whose efficient instruction and supervision made all of these achievements possible.

1. Rah! Rah! Rah!
2. Coke time! (Bergy treats.)
3. Point of order! (Coach Bergstrom consults with Mr. Cleary.)
4. Big crowd — after the game (Karen Hayes, Mrs. Hayes, Mr. Hayes, Mr. Nilson)
5. Oh, no, you don't! (Woody Wagner)
6. Somebody's happy! (M. Tropman, P. Knasiak, J. Weishaupf)
7. Walking on air (Ron Russell)

ADVERTISING

WATER OF ALL THE ELEMENTS OF NATURE IS UNDOUBTEDLY THE MOST NECESSARY FOR MAN'S EXISTENCE. THROUGH ALL THE AGES IT HAS DETERMINED HIS RESIDENCE, HIS OCCUPATION, AND HIS DIET, AND HAS INFLUENCED HIS THOUGHTS AND EMOTIONS, HIS HABITS, AND HIS DESIRE TO BUY WHAT HE NEEDS.

SINCE CIVILIZATION BEGAN, RIVERS HAVE PROVIDED TRANSPORTATION, FOODS LIKE FISH AND SHRIMP, AND A LIVELIHOOD SUCH AS SHIP BUILDING. NO GIVEN COUNTRY CAN SURVIVE ECONOMICALLY INDEPENDENT, FOR IT MUST IMPORT RAW MATERIALS AND MANUFACTURED GOODS TO MEET THE DEMANDS OF ITS PEOPLE. THE GREAT STEAMSHIP COMPANIES AND RELATED AGENCIES EMPLOY ADVERTISING TO MOTIVATE THE PRODUCERS TO ACCEPT THEIR TRANSPORTATION SERVICES. THE VOICE OF ADVERTISING IS HEARD EVEN IN THE REMOTEST COUNTRY ON THE GLOBE. ADVERTISING STIMULATES BUYING AND SELLING WHICH IN TURN MEANS PROFITS FOR THE DISTRIBUTING AGENCIES AND THE MIDDLEMEN WHO CAN RELAY THESE BENEFITS TO THE CONSUMER. WITH HIS SAVINGS THE CONSUMER CAN AFFORD TO BUY MORE AND THIS CYCLE, LIKE THE CURRENTS OF THE OCEAN, KEEPS AMERICA PROSPEROUS. OUR BASIC BELIEFS AND FREEDOMS ARE PRESERVED BECAUSE A PROSPEROUS NATION IS LESS LIKELY TO TURN TO WAR.

IN A LIBERTY-LOVING COUNTRY LIKE THE UNITED STATES THE ADVERTISER IS FREE TO PRESENT THE MERITS OF HIS PRODUCT BY WAY OF NEWSPAPERS, RADIO, AND TELEVISION. JUST AS TRIBUTARIES AND RIVERS UNITE THE COUNTRY GEOGRAPHICALLY, ADVERTISING IS THE ECONOMIC LINK BETWEEN THE MANUFACTURER AND THE CONSUMER.

SENIOR YEAR

Continued from Page 25

was as successful as was Tony Castiglia's portrayal of Kris Kringle.

After the holidays we anticipated a fine basketball season. Connie Strzelczyk, Woody Wagner, Rog Seibert, Butch Wiepert, and Ron Russell showed much ability on the court and helped to make this Green and Gold team one of the best Mr. Nilson had ever coached.

At the same time Tom Rooney, Norm Mruk, Dave Eldridge, Dave Koch, Darrell Chalcraft, and the rest of the swimmers were showing the form that made Kensington's Knights the Syracuse Cup winners once again.

The day before the All-High meet we had an assembly program which served as a pep rally. A Dragnet skit included in its cast Harry White, Paul Stoll, and John Gaydica. We all appreciated Miss O'Meara's help in preparing this and many other programs throughout the year. Some of the classmates taking part in these assemblies were Marge Shamblen, Pat Knasiak, Dan Goulding, Ken Schneider, and a quartet consisting of Barb Markham, Carol Stewart, Ann Notaro, and Sandy Errick.

The coming of Senior elections made us realize that graduation was just around the corner. Our choices were as follows: Tom Webb, president; Bark Markham, vice-president; Dan Goulding, treasurer; and Maxine Ralicki, secretary. The marshals were Dottie Hayn and Dave Eldridge. Beatrice Saxer has led the honor roll all year.

With confidence that we have developed here at Kensington the qualities necessary for success and happiness, nevertheless with sadness, too, we come to the close of our Senior year. We know that the memories of our high school years will always remain among those most cherished in our hearts.

SOPHOMORES . . . "A SOUND OF WATERS MURMURING"

Continued from Page 73

This and that:

- . . . Quiet Nicky Longo and his bright pink tie.
- . . . Dave Wroblewski and his favorite subject — Latin.
- . . . Forgetful Eddie Ferger and his wandering report card.
- . . . Dave "Shorty" Green and Mr. Baldwin's books.
- . . . Red-haired Pat Meger and her mellow saxophone.
- . . . Natalie Kern and her "crazy" baton.

Are you aware of these facts?

- . . . Mercita Binner's popularity has jumped to tops, starting with her cheerleading.

- . . . Don Getzin was an asset to the Chess Team.

- . . . Margaret Germain, Betsy Jill Herbold, and Thelma Crew have used their excellent voices to serenade us in assemblies.

- . . . Juliann Mayer is from Nebraska.

- . . . Kenneth Grieb is our busy school reporter for WEBR.

- . . . Kent Fredricksen is a photographer for the **Compass**.

Now as we move to our Junior year, we pause to congratulate these and all the rest of the Sophomore class for a job well done. We hope to have even more success next year.

Acknowledgments

Many people helped to make this year's *Compass* possible. The editors, the staffs, and the faculty advisors express a sincere thank you to all.

Among the students, we mention Jean Schumacher, Barbara Speidel, Carl Schwan, Edward Schwan, Ronald Marthia, Nancy Schoof, James Jankowski, Mercita Binner, Marty Kahn, Elizabeth Sedita, Margaret Luecht, Amelia Del Prince, Morton Achter, Ronald Chadwick, Margaret Anderson. So many cooperated that this list is necessarily not complete.

We are especially grateful to the faculty, the office staff, and the administration, who patiently endured the lengthy picture-taking schedule, stimulated the sale of ads, answered *thousands* of questions, and submitted to numerous interviews, often at inconvenient times!

Above all, the members of the physical education department deserve, each and every one, large gold K's for their amazing efficiency in arranging group pictures, and for their cheerful assistance at all times.
